This committee report contains a Temporary Event Notice for a Jungle Mayhem event with sale of alcohol and regulated entertainment on 16th September 2023 10:00 – 23:00 for up to 499 people at The Quarry, Land at the end of Hempshill Brook, Access from Northaw Road East, Cuffley, Hertfordshire, EN6 4RB.

The Temporary Event Notice served on the Licensing Authority is provided in Appendix A to this report.

Summary of Notice Received

The premises user served a Temporary Event Notice on the Licensing Authority under the Licensing Act 2003 Section 100 on Tuesday 15th August 2023. The notice is for the sale of alcohol and regulated entertainment on 16th September 2023 10:00 – 23:00 for up to 499 people. The premises user is in line with the legislation by serving the Temporary Event Notice more than 10 working days before the planned event dates.

The Temporary Event Notice was reviewed and processed as a valid a notice by the Licensing Authority. The notice was sent to Hertfordshire Police and the Council's Environmental Health Team on Wednesday 16th August 2023. The Relevant Authorities were notified that representations to the Temporary Event Notice were required to be provided to the Licensing Authority by the end of Friday 18th August 2023.

The Licensing Authority provided the premises user with an acknowledgement letter for the Temporary Event Notice by email on Tuesday 15th August 2023.

1.1 Unresolved representations

The Licence Hearing is a result of the Licensing Authority receiving formal written relevant objections from the Environmental Health Team and Hertfordshire Police to the Temporary Event Notice within the 3 working day consultation period. The representations against the notice have been submitted under the Licensing Act 2003 on the statutory grounds of:

- the prevention of crime and disorder
- public safety
- the prevention of public nuisance
- the protection of children from harm

Part 2 Appendix A – Temporary Event Notice submitted on Tuesday 15th August 2023

Part 2 Appendix B – Location of event site

Part 2 Appendix C - Representation from Environmental Health

Part 2 Appendix D – Representation from Hertfordshire Police

2 Details of Representations Received

Formal written relevant objection notices have been submitted by Environmental Health and Hertfordshire Police against the Temporary Event Notice.

The objection from Environmental Health is made on the grounds of the Prevention of Public Nuisance licensing objective. The objection can be found below.

The prevention of public nuisance

There is currently a premises licence within the locality which allows a certain number of music events in any 12 month period. The event site has been subjected to very strict controls and a specific limit on the number of events. Any music event in the surrounding locations will be audible to residents, therefore it will have an cumulative impact. I appreciate this is a different event site compared to the site that has a premises licence, however, the sites are close enough that the impact on residents will be the same. It is not appropriate for further music events to take place within this location. It is my view that permitting additional events is likely to cause a public nuisance.

The objection from Hertfordshire Police is made on the grounds of the prevention of crime and disorder, public safety and the protection of children from harm licensing objectives. The objection can be found below.

Crime and Disorder

This event is being proposed under a TEN, but is a high risk event (a live music/festival event) requiring all the oversight, safety measures and strictures which are the very purpose of a Premises Licence. The applicant has not put forward any form of mitigation measures to combat the risk for this event which is as large as possible for a TEN. This includes but is not limited to crowd control, search/entry policies and on-site security. As this premises does not have a Licence, conditions cannot be attached to this TEN, for context a similar site in

close proximity has over 30 conditions in place to meet the Licensing objectives. The site in question has no natural surveillance or any CCTV.

Public Safety

The location poses potential logistical challenges for the emergency services and has no infrastructure or services except a dirt road/track. As per above- This event is being proposed under a TEN, but is a high risk event for public safety, requiring all the oversight, safety measures and strictures which are the very purpose of a Premises Licence. The applicant has not put forward any form of mitigation or measures to combat this enhanced risk. There is also no information regarding 'on-site' traffic management/ separation of vehicles and pedestrians.

The protection of children from harm

This event holds appeal for those under 18 and although I note that it is an 'over 18' event I have seen no practical measures in place to ensure children are not able to enter or purchase alcohol, this is relevant to a TEN, as most TEN's approved have some natural guardianship or supervision element- such as family or school staff present.

The Temporary Event Notice has been brought to the Alcohol and Regulated Entertainment Committee to be determined. The representation from Environmental Health is detailed in Appendix C to this report. The representation from Hertfordshire Police is detailed in Appendix D to this report.

3 Background

The Temporary Event Notice submitted is for a Jungle Mayhem event with sale of alcohol and regulated entertainment on 16th September 2023 10:00 – 23:00 for up to 499 people. The committee are advised that whilst the applicant has applied for the sale of alcohol and regulated entertainment between 10:00 – 23:00 under the main timings Section 3 on page 3 of the form, the applicant has then stated they plan to have live music entertainment between 08:00 – 23:00 on page 4 of the notice form. The Temporary Event Notice form can be found in Appendix A to this report.

The applicant has also included the following information on the event in the notice:

The Jungle Mayhem event is to be held on a small grassland park surrounded by woods and farmland in the surrounding area. The space has a transportable road to the location and parking facilities. The site is located at the end of Hempshill Brook and is accessed from an entrance on Northaw Road East.

We intent to use 70% of area mainly to setup the stage and other needed stalls which will be connected to each other. We will have a small dancing floor and stage with decor. Parking spaces are available for the visitors in Colesdale farm with other basic amenities.

We won't be using heavy surrounding sound system so there will be no issues of heavy nuisance and we will appoint a sound engineer to further control the system making sure we don't effect the surroundings.

This event is organised by Psyclowns LTD (15008990) a company started by a group of graduates from India. The name of the event is Jungle Mayhem. Our main aim is to connect the likeminded ones through music and build a community with harmony. We intended to promote and share Indian art and culture. The event intends to bring together people and communities that share a mutual passion and liking towards live electronic music. The event will showcase live DJ sets which will explore different music genres, including experimental trance, techno, and Indian trance. The setup will be minimalistic, with a canopy-covered small stage that will include a small DJ booth for artists to play in. Full surrounding system and additional light systems will not be utilised in order to reduce noise nuisance. The light system with speakers will only be placed close to the DJ booth. The event is a night long celebration of dance, music, and people.

These details on the proposed event have been provided on the Temporary Event Notice by the applicant, this can be found in Appendix A of this report.

The committee is therefore asked to determine whether or not to uphold the Environmental Health Officer and Hertfordshire Police Licensing Officer's objections.

4 Explanation

The committee is obliged to determine the application in light of the objection from the Environmental Health Officer (Appendix C) with a view to promoting the Prevention of Public Nuisance Licensing Objective. In addition to the objection from Hertfordshire Police (Appendix D) in relation to Crime and Disorder, Public Safety and the Protection of Children from Harm licensing objectives.

In making its decision, the committee is also obliged to have regard to the National Guidance and the Councils own Licensing Policy in that it can only: -

- a) Grant the Temporary Event Notice as served.
- b) With the agreement of the relevant persons and applicant modify the Temporary Event Notice, including changing the details of the parts of the premises that are to be used for the event, the description of the nature of the intended activities or their duration.
- c) Uphold the objections made by Environmental Health and Hertfordshire Police and reject the Temporary Event Notice.

The Licensing Committee are unable to add conditions to the Temporary Event Notice as the premises/area proposed to be used under the TEN does not benefit from an existing premises licence.

5 Licensing Policy

- 5.1 The sub committee will also wish to be aware of the revised Guidance issued under section 182 of the licensing Act 2003.

Guidance 9.42

Licensing authorities are best placed to determine what actions are appropriate for the promotion of the licensing objectives in their areas. All licensing determinations should be considered on a case-by-case basis. They should take into account any representations or objections that have been received from responsible authorities or other persons, and representations made by the applicant or premises user as the case may be.

Guidance 9.43

The authority's determination should be evidence-based, justified as being appropriate for the promotion of the licensing objectives and proportionate to what it is intended to achieve.

Guidance 9.44

Determination of whether an action or step is appropriate for the promotion of the licensing objectives requires an assessment of what action or step would be suitable to achieve that end. Whilst this does not therefore require a licensing authority to decide that no lesser step will achieve the aim, the authority should aim to consider the potential burden that the condition would impose on the premises licence holder (such as the financial burden due to restrictions on licensable activities) as well as the potential benefit in terms of the promotion of the licensing objectives. However, it is imperative that the authority ensures that the factors which form the basis of its determination are limited to consideration of the promotion of the objectives and nothing outside those parameters. Further advice on determining what is appropriate when imposing conditions on a licence or certificate is provided in Chapter 10. The licensing authority is expected to come to its determination based on an assessment of the evidence on both the risks and benefits either for or against making the determination.

5.2 The sub-committee will also wish to be aware of Welwyn Hatfield Council Statement of Licensing Policy, which includes:

25.7 Where the Police or Environmental Health object they will serve an objection notice on you. You can then discuss the event and agree modifications to address their concerns. If no agreement is reached, we will hold a hearing to consider the objection.

6 Recommendation

6.1 The committee must have regard to the Temporary Event Notice served and the evidence it hears. The sub-committee is therefore asked to determine the Temporary Event Notice.

6.2 In determining the notice, which must be at the conclusion of the hearing the sub-committee may on behalf of the licensing authority, and having regard to the promotion of the licensing objectives, statute, guidance and policy decide on the following courses of action:

- a) Grant the Temporary Event Notice as served.
- b) With the agreement of the relevant persons and applicant modify the Temporary Event Notice, including changing the details of the parts of the premises that are to be used for the event, the description of the nature of the intended activities or their duration.
- c) Reject the Temporary Event Notice.

Notes for Guidance

General

In these notes, a person who gives a temporary event notice is called a “premises user”.

The police and local authority exercising environmental health functions may intervene on the grounds of any of the four licensing objectives (the prevention of crime and disorder, public safety, the prevention of public nuisance, and the protection of children from harm) to prevent the occurrence of an event at which permitted temporary activities are to take place or to agree a modification of the arrangements for such an event. However, the licensing authority will intervene of its own volition in the cases described below.

First, it will issue a counter notice if there is an objection to a late temporary event notice (see note 8 below).

Secondly, it may issue a notice in relation to its decision to impose conditions on a temporary event notice (see note 2 below).

Thirdly, it will issue a counter notice if the first, second, third and fifth of the limits set out below would be exceeded. If any of the limits below are breached or if a counter notice has been issued, any licensable activities taking place would be unauthorised and the premises user would be liable to prosecution. The limitations apply to:

- the number of times a person may give a temporary event notice (50 times per year for a personal licence holder and 5 times per year for other people);
- the number of times a person may give a late temporary event notice (10 times per year for a personal licence holder and 2 times per year for other people);
- the number of times a temporary event notice may be given in respect of any particular premises (15 times or, for event periods occurring wholly or partly in 2022 or 2023, 20 times a calendar year);
- the length of time a temporary event may last for these purposes (168 hours or 7 days);
- the maximum aggregate duration of the periods covered by temporary event notices at any individual premises (21 days or, for event periods (or any part of those periods) occurring in 2022 or 2023, 26 days per calendar year); and
- the scale of the event in terms of the maximum number of people attending at any one time (a maximum of 499).

For the purposes of determining the overall limits of 50 temporary event notices per personal licence holder (in a calendar year) and of 5 for a non-personal licence holder (in a calendar year), temporary event notices given by an associate or a person who is in business with a premises user (and that business involves carrying on licensable activities) count towards those totals. The limits applying to late temporary event notices are included within the overall limits applying to the total number of temporary event notices. Note 16 below sets out the definition of an “associate”.

When permitted temporary activities take place, a premises user must ensure that either:

- a copy of the temporary event notice is prominently displayed at the premises; or
- the temporary event notice is kept at the premises either in his own custody or in the custody of a person present and working at the premises and whom he has nominated for that purpose.

Where the temporary event notice is in the custody of a nominated person, a notice specifying that fact and the position held by that person must be displayed prominently at the premises.

Where the temporary event notice or a notice specifying the nominated person is not displayed, a constable or an authorised person (for example, a licensing officer, fire officer or environmental health officer) may require the premises user to produce the temporary event notice for examination. Similarly, where the nominated person has the temporary event notice in his custody, a constable or authorised person may require that person to produce it for examination. Failure to produce the temporary event notice without reasonable excuse would be an offence.

It should also be noted that the following, among other things, are offences under the Licensing Act 2003:

- the sale or supply of alcohol to children under 18 years of age (subject to an unlimited fine on conviction);
- allowing the sale of alcohol to children under 18 (subject to an unlimited fine on conviction);
- knowingly allowing the consumption of alcohol on the premises by a person aged under 18 (subject to an unlimited fine, on conviction);
- allowing disorderly behaviour on the premises (subject to a fine not exceeding level 3 on the standard scale, on conviction);
- the sale of alcohol to a person who is drunk (subject to a fine not exceeding level 3 on the standard scale, on conviction);
- obtaining alcohol for a person who is drunk (subject to a fine not exceeding level 3 on the standard scale, on conviction);
- knowingly allowing a person aged under 18 to make any sale or supply of alcohol unless the sale or supply has been specifically approved by the premises user or any individual aged 18 or over who has been authorised for this purpose by the premises user (subject to a fine not exceeding level 1 on the standard scale, on conviction); and
- knowingly keeping or allowing to be kept on the premises any smuggled goods which have been imported without payment of duty or which have otherwise been unlawfully imported (subject to a fine not exceeding level 3 on the standard scale, on conviction).

In addition, where the premises are to be used primarily or exclusively for the sale or supply of alcohol for consumption on the premises, it is an offence to allow children under 16 to be present when the premises are open for that purpose unless they are accompanied by an adult. In the case of any premises at which sales or supplies of alcohol are taking place at all, it is an offence for a child under 16 to be present there between the hours of midnight and 5am unless accompanied by an adult. In both instances, the penalty on conviction is a fine not exceeding level 3 on the standard scale, currently £1,000.

Note 1

A temporary event notice may only be given by an individual and not, for example, by an organisation or club or business. The individual giving the notice is the proposed “premises user”. Within businesses, clubs or organisations, one individual will therefore need to be identified as the proposed premises user.

If you include an e-mail address in section 1(7) or 1(9), the licensing authority may send to this the acknowledgement of receipt of your notice or any notice or counter notice it is required to give under sections 104A, 106A or 107 of the Licensing Act 2003.

Note 2

For the purposes of the Licensing Act 2003, “premises” means any place. Premises will therefore not always be a building with a formal address and postcode. Premises can include, for example, public parks, recreation grounds and private land.

If a premises licence or club premises certificate has effect in relation to the premises (or any part of the premises) which you want to use to carry on licensable activities, it is possible that any conditions which apply to the licence or certificate may be imposed on the temporary event notice if certain pre-conditions are met. These pre-conditions are that the police or the local authority exercising environmental health functions object to the notice and the licensing authority decides:

- not to give a counter notice under section 105 of the Licensing Act 2003;
- the conditions apply to the licence or certificate; and
- the imposition of the conditions on the notice would not be inconsistent with the carrying on of the licensable activities under the notice.

Note 3

A temporary event notice can be given for part of a building, such as a single room or a plot within a larger area of land. You should provide a clear description of the area in which you propose to carry on licensable activities. This is important as any licensable activities conducted outside the area of the premises protected by the authority of this temporary event notice would be unlawful and could lead to prosecution.

In addition, when holding the proposed event, the premises user would need to be able to restrict the number of people on the premises at any one time when licensable activities are taking place to less than 500. If more than 499 are on the premises when licensable activities are being carried on, the licensable activities would be unlawful and the premises user would be liable to prosecution. The maximum figure of 499 includes, for example, staff, organisers, stewards and performers.

Note 4

A description of the nature of the premises assists the chief officer of police and local authority exercising environmental health functions in deciding if any issues relating to the licensing objectives are likely to arise. You should state clearly that the premises to be used are, for example, a public house, a restaurant, an open field, a village hall or a beer tent.

Note 5

A description of the nature of the event similarly assists the chief officer of police and local authority exercising environmental health functions in making a decision as to whether or not to make an objection. You should state clearly that the event taking place at the premises would be, for example, a wedding with a pay bar, the supply of beer at a particular farmers’ market, a discotheque, the performance of a string quartet, a folk group or a rock band.

Note 6

The licensable activities are:

- the sale by retail of alcohol;
- the supply of alcohol by or on behalf of a club to, or to the order of, a member of a club;
- the provision of regulated entertainment; and
- the provision of late night refreshment.

Note 7

Regulated entertainment, subject to specified conditions and exemptions, includes:

- (a) a performance of a play;
- (b) an exhibition of a film;
- (c) an indoor sporting event;
- (d) a boxing or wrestling entertainment;
- (e) a performance of live music;
- (f) any playing of recorded music;
- (g) a performance of dance; and

If you are uncertain whether or not the activities that you propose are licensable, you should contact your licensing authority for further advice.

Note 8

Late notices can be given no later than 5 working days but no earlier than 9 working days before the event in relation to which the notice is given. A late notice given later than 5 working days before the event to which it relates will be returned as void and the activities described in it will not be authorised.

The number of late notices that can be given in any one calendar year is limited to 10 for personal licence holders and 2 for non-personal licence holders. These count towards the total number of temporary event notices (i.e. 50 temporary event notices per year for personal licence holders and 5 temporary event notices for non-personal licence holders).

If there is an objection from either the police or local authority exercising environmental health functions, the event will not go ahead and a counter notice will be issued.

Note 9

The maximum period for using premises for licensable activities under the authority of a temporary event notice is 168 hours or seven days.

Note 10

You should state here the times during the event period, for example 48 hours, when you intend to carry on licensable activities. For example, you may not intend to carry on licensable activities throughout the entire 48-hour event period, and may intend to sell alcohol between 8.00 hrs and 23.00 hrs on each of the two days.

Note 11

No more than 499 may be on the premises for a temporary event at any one time when licensable activities are being carried on. If you intend to have more than 499 attending the event, you should obtain a premises licence for the event. Your licensing authority should be able to advise

you. The maximum figure of 499 includes not only the audience, spectators or consumers but also, for example, staff, organisers, stewards and performers who will be present on the premises.

Note 12

If you indicate that alcohol will be supplied only for consumption on the premises, you would be required to ensure that no person leaves the premises with alcohol supplied there. If such a supply takes place, the premises user may be liable to prosecution for carrying on an unauthorised licensable activity. Similarly, if the premises user gives notice that only supplies of alcohol for consumption off the premises will take place, he/she must ensure that alcohol supplied is not consumed on the premises. The premises user is free to give notice that he/she intends to carry on both types of supplies. For this purpose, the supply of alcohol includes both of the first two licensable activities listed in note 6 above.

Note 13

Relevant entertainment is defined in the Local Government (Miscellaneous Provisions) Act 1982 (“the 1982 Act”) as *any live performance or any live display of nudity which is of such a nature that, ignoring financial gain, it must reasonably be assumed to be provided solely or principally for the purpose of sexually stimulating any member of the audience (whether by verbal or other means)*. Relevant entertainment therefore includes, but is not limited to, lap dancing and pole dancing.

The 1982 Act requires premises which provide relevant entertainment to be licensed under that Act for this purpose. Premises at which there have not been more than eleven occasions on which such entertainment has been provided within a period of 12 months, no such occasion has lasted for more than 24 hours and there has been a period of at least one month between each such occasion are exempt from the requirement to obtain a licence under the 1982 Act. Such premises are likely instead to require an authorisation under the Licensing Act 2003 to be used for such activities as these are a licensable activity (the provision of regulated entertainment — see note 6 above). A temporary event notice may be given for this purpose.

Note 14

The holder of a valid personal licence issued under the Licensing Act 2003 may give up to 50 temporary event notices in any calendar year subject to the other limitations in the 2003 Act. A proposed premises user who holds such a licence should give the details requested.

Note 15

As stated under Note 14, a personal licence holder (issued under the Licensing Act 2003) may give up to 50 temporary event notices (including 10 late notices) in any calendar year. An individual who does not hold a personal licence may only give 5 temporary event notices (including 2 late notices) in England and Wales in any calendar year. A calendar year is the period between 1st January to 31st December inclusive in any year.

If an event straddles two calendar years, it will count against the limits on temporary event notices for each year. However, only one notice needs to be given. The limits are:

- i. for event periods occurring wholly or partly in 2022 or 2023, up to 20 times in the calendar year for each premises;
- ii. for other event periods, 15 times in a calendar year for each premises;
- iii. for event periods (or any part of a period) occurring in 2022 or 2023, 26 days in the calendar year for each premises;
- iv. for other event periods, 21 days in a calendar year for each premises;
- v. 50 per personal licence holder each calendar year; and
- vi. 5 for non-holders each calendar year.

For the purposes of determining the overall limits of 50 temporary event notices per personal licence holder (in a calendar year) and of 5 for a non-personal licence holder (in a calendar year),

temporary event notices given by an associate or a person who is in business with a premises user (and that business involves carrying on licensable activities) count towards those totals. Note 16 below sets out the definition of an “associate”.

If a temporary event notice has been given for the same premises, by the same premises user, and would have effect within 24 hours before the start of the event period under the current proposal or within 24 hours after the end of that period, the temporary event notice given would be void and any licensable activities carried on under it would therefore be unlicensed.

For the purposes of determining whether or not the required gap of 24 hours is upheld, temporary event notices given by an associate or a person who is in business with a premises user (and that business involves carrying on licensable activities) count as if they had been given by the premises user. Note 16 below sets out the definition of an “associate”.

Note 16

An “associate” of the proposed premises user is:

- a. the spouse or civil partner of that person;
- b. a child, parent, grandchild, grandparent, brother or sister of that person;
- c. an agent or employee of that person; or
- d. the spouse or civil partner of a person within (b) or (c).

For these purposes, a person living with another as that person’s husband or wife is to be treated as that person’s spouse.

Note 17

It is a requirement that you send at least one copy of this notice to the licensing authority at least ten working days (or five working days for a late notice) before the commencement of the proposed licensable activities. The authority will give you written acknowledgement of the receipt of the notice. This will be important proof that you gave the notice and when you gave it for the purposes of the Act. Some premises may be situated in two licensing authority areas, for example, where a building or field straddles the local authority boundary. Where this is the case, at least one copy of the notice must be sent to each of the licensing authorities identified, together with the appropriate fee in each case. In such circumstances, you will receive acknowledgements from all the relevant licensing authorities.

One copy must be sent to each of the chief officer of police and the local authority exercising environmental health functions for the area in which the premises is situated at least ten working days for a standard notice (or five working days for a late notice) before the commencement of the proposed licensable activities. Where the premises are situated in two police areas or environmental health areas, a further copy will need to be sent to the further police force and local authority exercising environmental health functions.

Note 18

Under the Licensing Act 2003, all temporary event notices are given subject to a mandatory condition requiring that where the licensable activities involve the supply of alcohol, all such supplies must be made by or under the authority of the named premises user. If there is a breach of this condition, the premises user and the individual making the supply in question would be liable to prosecution. For this purpose, the supply of alcohol includes both of the first two licensable activities listed in note 6 above.

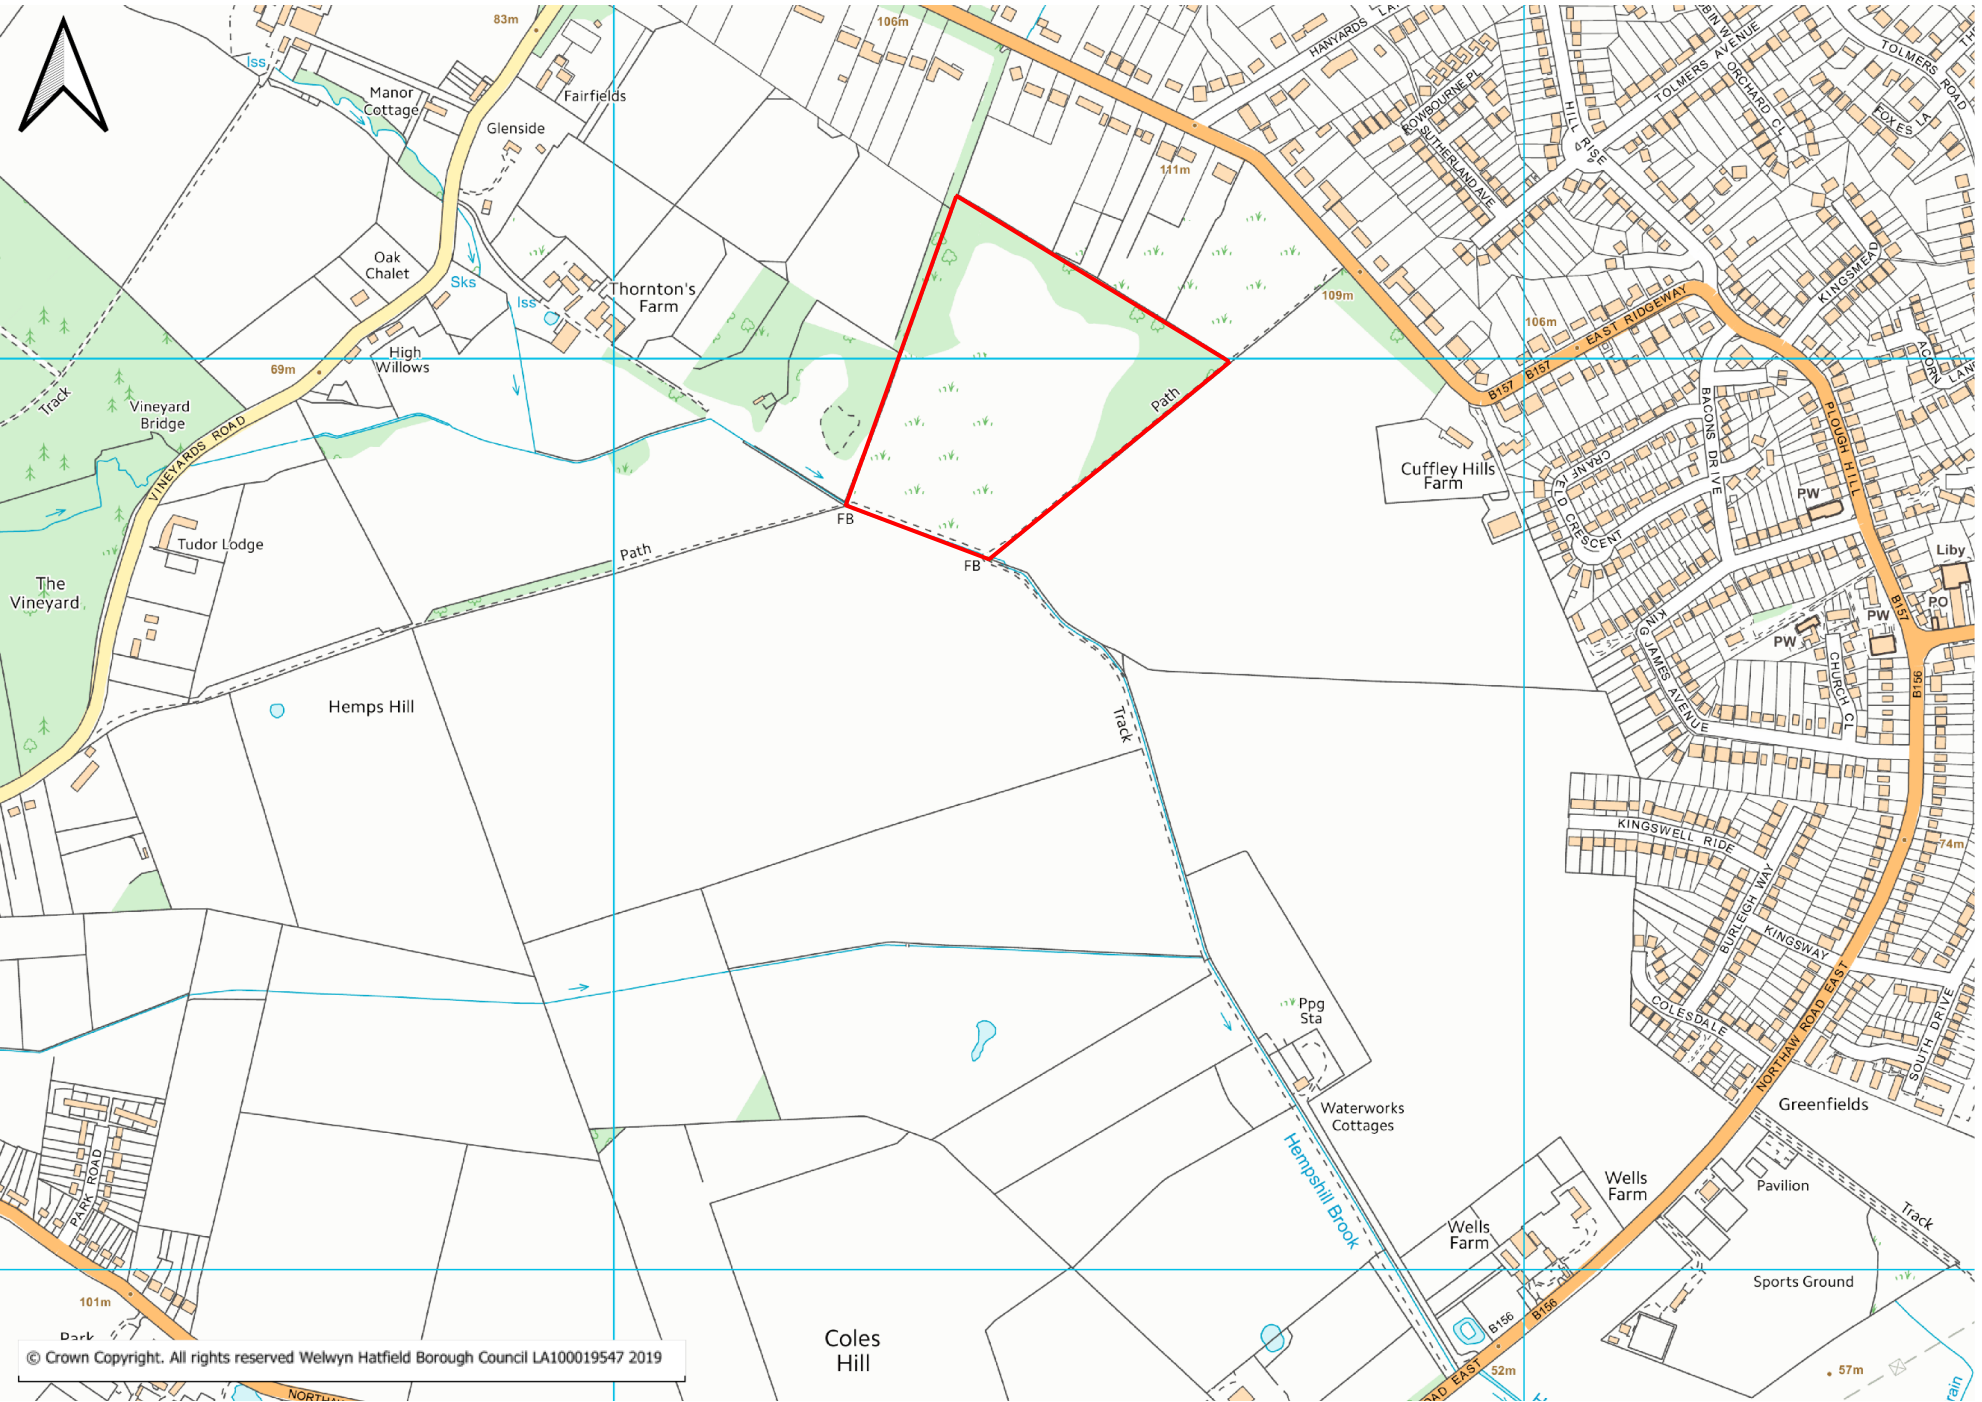

Note 19

It is an offence knowingly or recklessly to make a false statement in, or in connection with, a temporary event notice. (A person is to be treated as making a false statement if he produces, furnishes, signs or otherwise makes use of a document that contains a false statement.) To do so could result in prosecution and an unlimited fine.

Note 20

You should not complete section 10 of the notice, which is for use by the licensing authority. It may complete this section as one means of giving you written acknowledgement of its receipt of the notice.

Objection Notice—Permitted Temporary Activities

The licensing objective(s) that apply are indicated by an X in the following table

Licensing objective	Obj. (X)	Reasons
The prevention of crime and disorder		
Public safety		
The prevention of public nuisance	X	Please refer to comment section below.
The protection of children from harm		
No Objections		

Grounds of Objections

The prevention of public nuisance.

There is currently a premises licence within the locality which allows a certain number of music events in any 12 month period. The event site has been subjected to very strict controls and a specific limit on the number of events.

Any music event in the surrounding locations will be audible to residents, therefore it will have an cumulative impact. I appreciate this is a different event site compared to the site that has a premises licence, however, the sites are close enough that the impact on residents will be the same. It is not appropriate for further music events to take place within this location. It is my view that permitting additional events is likely to cause a public nuisance.

A copy of this objection notice has been given to

- a) The relevant licensing authority
- b) To the premises user
- c) To every other relevant person (the police)

No later than 3 working days after the temporary event notice has been served to the relevant person.

Dear Welwyn Hatfield Council

I wish to make a representation in regard of the TEN application for the 16/09/23 at the Quarry.

My representation is under the Licensing objectives of

Crime and Disorder, Public Safety, and the Protection of children from harm.

Crime and Disorder

This event is being proposed under a TEN, but is a high risk event (a live music/festival event) requiring all the oversight, safety measures and strictures which are the very purpose of a Premises Licence. The applicant has not put forward any form of mitigation measures to combat the risk for this event which is as large as possible for a TEN. This includes but is not limited to crowd control, search/entry policies and on-site security. As this premises does not have a Licence, conditions cannot be attached to this TEN, for context a similar site in close proximity has over 30 conditions in place to meet the Licensing objectives. The site in question has no natural surveillance or any CCTV.

Public Safety

The location poses potential logistical challenges for the emergency services and has no infrastructure or services except a dirt road/track. As per above- This event is being proposed under a TEN, but is a high risk event for public safety, requiring all the oversight, safety measures and strictures which are the very purpose of a Premises Licence. The applicant has not put forward any form of mitigation or measures to combat this enhanced risk. There is also no information regarding 'on-site' traffic management/ separation of vehicles and pedestrians.

Protection of children from harm.

This event holds appeal for those under 18 and although I note that it is an 'over 18' event I have seen no practical measures in place to ensure children are not able to enter or purchase alcohol, this is relevant to a TEN, as most TEN's approved have some natural guardianship or supervision element- such as family or school staff present.
