

## **APPENDIX E - EHO Agreed Conditions**

1. Whilst live or recorded music is playing in the premises (including karaoke) all external doors and windows must be kept closed.
2. Customer shall only gain admission to the premises up until midnight with no admission permitted after this time for new customers.
3. After 2300 hours no drinks may be taken to the external smoking area.
4. On Fridays and Saturdays, monitoring at 2200 hours, 2300 hours, 0000 hours and 0100 hours must be conducted by the premises manager to check noise levels from music emitted from the premises at the nearest residential properties. Noise levels must then be reduced if found to be too loud (the noise should at most be just audible after 2200 and inaudible after 2300). A record of these actions must be kept and made available for inspection by the Licensing Authority and Statutory Consultees.
5. The designated premises supervisor will risk assess the need for door supervision. SIA door supervisors will be provided in such numbers, between such times and on such dates as identified by the risk assessment.
6. Music from the premises is to be inaudible after 2300 at the nearest residential properties.
