## Total Score Result and Guidelines for Further Action

- < 9 **Low Priority** - add to the committee work programme if priority changes/add information on Member Information Hub
- >10 **Medium Priority** - Request a report to OSC, hold a single scrutiny event or set up a Task and Finish Panel (T&P).
- > 15 **High Priority** - Request a report to OSC, hold a single scrutiny event or set up a Task and Finish Panel. To take precedence over issues of medium priority.

**Resources** After selection and in the event of competing priorities, consideration should be given by the committee on any necessary resources required to deliver the topic to scrutiny.
