

Clarification to Parking Services Work Programme 2022-24

At the last CPPP meeting, it was agreed:

- 1) The Panel recommended to Cabinet to approve the new Works Programme 2022-2024, as outlined in sections 3.11 and 3.13 of the report with the exception of Robin Hood Lane/The Common & Pine Grove. Officers were instructed to consider options for including Woods Avenue on the Parking Works Programme and to return to the Panel with options for its consideration and agreement.

Officers have reviewed the roads to be included in within the South and East Hatfield area and can confirm Woods Avenue will be included in this.

The officers' recommendation is for the areas to be included in the Works Programme 2022-2024 as shown in the table below.

Therefore, the table has been updated as follows:

Areas to be added onto Works Programme 2022-2024
Sherrards
Hollybush (North)
Howlands (North)
South and East Hatfield (confirmed Woods Avenue is included in this area)
Robin Hood Lane/The Common & Pine Grove

Officers are asking Members:

1. To note that Woods Avenue will be included in the South/East Hatfield works programme area; and
2. To agree the inclusion of Robin Hood Lane/The Common and Pine Grove to the works programme.
