REPORT OF THE DIRECTOR (GOVERNANCE)

6/2015/2060/EM

124 SWEET BRIAR, WELWYN GARDEN CITY, AL7 3EA

REPLACEMENT OF DOORS

APPLICANT: Ms L Clement

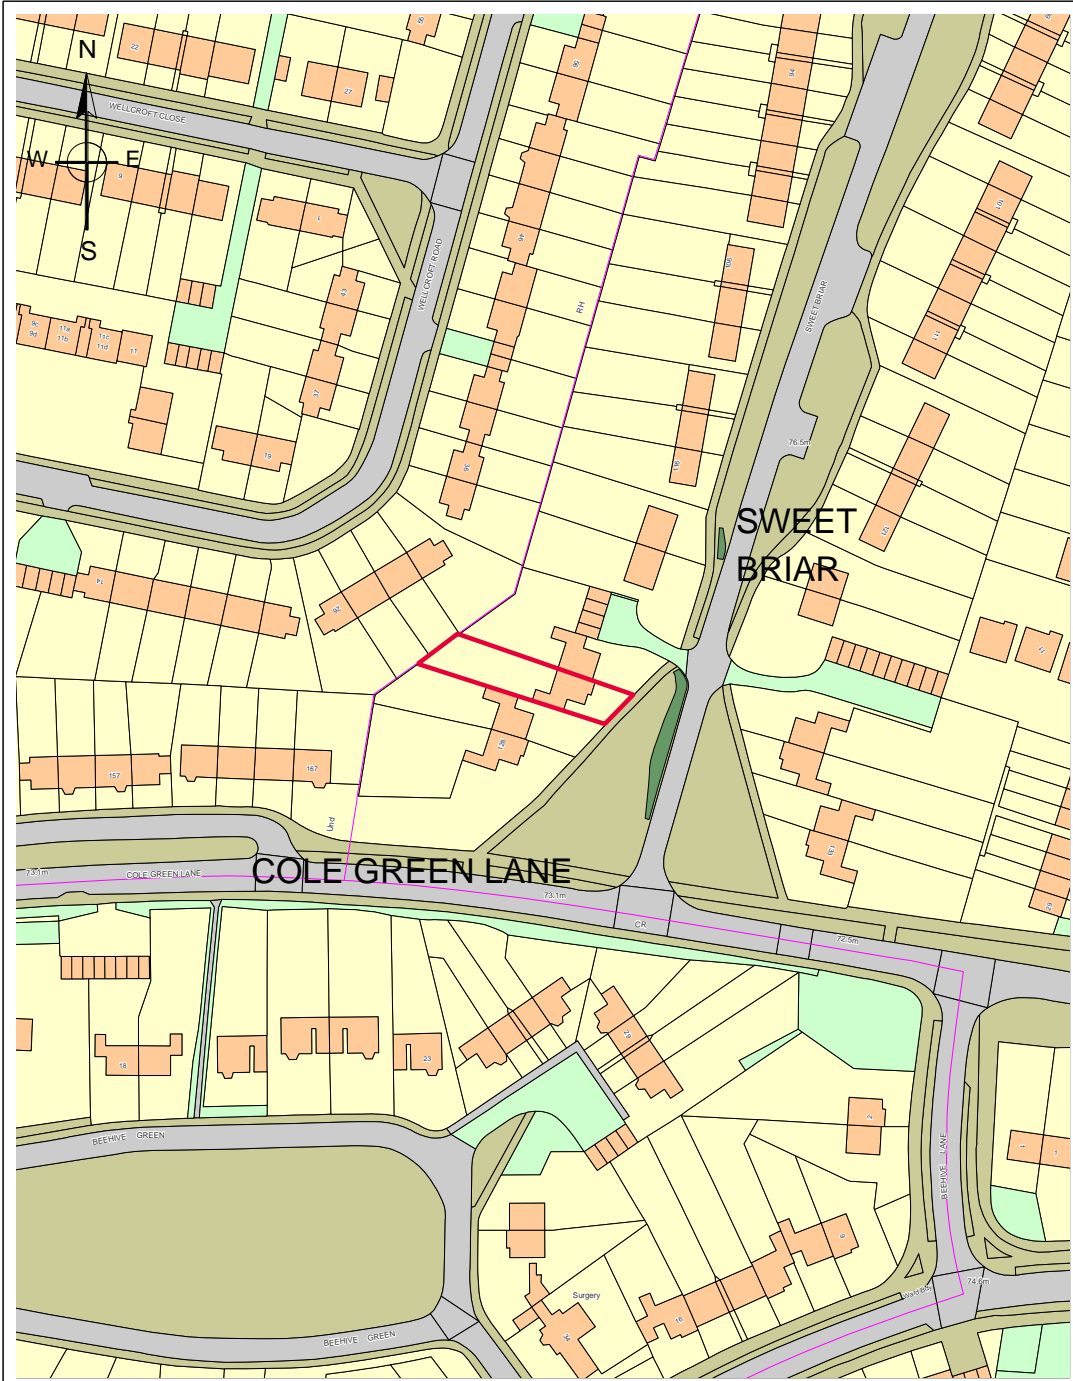

(Howlands)

1 Background

- 1.1 As Members will recall, this appeal was previously heard and determined at the Estate Management Appeal Panel held on the 14th March 2016. The reason for this appeal being brought to the Panel again is due to the appellant not being notified that the appeal was being held at the Panel on 14th March. Accordingly the appellant was not given the opportunity to speak with regard to the appeal.
- 1.2 As a result the appeal is presented for consideration again to allow the appellant to speak should she wish to. Officer's recommendation remains the same - to dismiss the appeal.
- 1.3 The reports presented to the Panel on 14th March are attached to this report as appendices 1 to 3.
