

**WELWYN HATFIELD BOROUGH COUNCIL
AUDIT COMMITTEE – 29TH JUNE 2022
REPORT OF THE HEAD OF PUBLIC HEALTH AND PROTECTION**

RISK MANAGEMENT

1 Executive Summary

1.1 This report brings to Members' attention the current strategic risks facing the Council, as determined by Corporate Management Team. These risks have been reviewed at the performance clinic in May 2022 and reflect the assessments in place for the quarter April to July 2022 as recorded at the time of the clinic. These risks have been checked subsequent to the performance clinic to ensure that risk commentaries are up to date and Members have the latest possible information. The strategic risks and top operational risks have also been available on the Member Information Hub to facilitate scrutiny.

2 Recommendation

2.1 Members are asked to:

- Note the attached current Strategic Risk Register;
- Note comments in respect of each risk where shown.
