

List of Sites included on the Brownfield Land Register – 2024 Update

Because of the mandated data standard for publishing the Brownfield Land Register (BLR), which requires the Register to be published as a spreadsheet with a number of columns – it is not possible to provide a format which would be legible on paper. The following table therefore lists all sites on the register with some of the key columns from the data standard.

Site Ref Number	HEELA Ref	Settlement	Site Name	Planning Status	Permission Type	Minimum Net Dwellings
WGC104b	Pea02b	WGC	Broadwater Road West SPD Site (North - Shredded Wheat)	Permissioned	Full Permission	1,403
