LICENSING  
4 NOV 2016

Mr Dennis Pennyfather,  
Licensing Department,  
Welwyn Hatfield Borough Council,  
The Campus,  
Welwyn Garden City,  
Hertfordshire,  
AL8 6AE

Dear Mr Pennyfather,

## Licensing Application - Brookman Wines, Bradmore Green

North Mymms Parish Council **object** to the proposed opening hours at Brookman Wines, Bradmore Green, Brookmans Park.

- North Mymms Parish Council are concerned for all four reasons as noted in the objectives of the Licensing Act 2003.
- The application is inappropriate for a premises with residential accommodation above it and very close by.
- Extending the hours would exacerbate the noise and disturbance issues in the village which has a public house and restaurants which open late any way.
- Wine and beer tastings as requested in the application can happen during the day and this would be a more acceptable way to include this option at the Off-Licence.
- In view of the fact that the premises are small there is no justification for extended hours.

We will look forward to being informed of Welwyn Hatfield Borough Council's decision.

Yours sincerely,

Chairman North Mymms Parish Council.
