Dear Sirs,

Brookmans Wines, Bradmore Green, Brookmans Park

I wish to object to the above on the grounds of prevention of public nuisance.

The building is in a residential area and actually built with flats above.

It is quite inappropriate for a shop selling alcohol to be open until 4am every day of the week.

Added to this is the request that they wish to be able to carry out wine and beer tastings means that people could potentially be on the premises to drink up to 4am.

The first duty of the council must be to do no harm to the population as a whole. This proposal could harm the area by changing what is basically a residential area and cause a public nuisance.

Stephen Boulton

Brookmans Park councillor.
