## Appendix 1 - Applications called-in or objected to

6/2016/0270/VAR

Address	Four Oaks 1-4 Great North Road Welwyn AL6 0PL
Proposal	Variation of conditions 1 (occupants) and 2 (number of caravans) of Planning Permission N6/2010/0211/S73B to increase the number of caravans from 10 to 20 of which no more than 5 shall be static caravans or mobile homes.
Applicant	Mr J Connors
Ward	Welwyn West
Agent	Mr M Green
Call-In/Objection from	Councillor Julie Cragg, Welwyn Hatfield Borough Council
Reason for Committee Decision	<p>Please can we call this in due to the fact that this raises a lot of issues of concern for the residents.</p> <p>There is uneasiness about the fact that the number of caravans fluctuates wildly and that they residents do not appear to adhere to the planing that they do have.</p> <p>The restrictions regarding children is there as this was not intended to be a permanent site but only to give stability to the children to enable them to attend school.</p> <p>Are they planning to use caravans as an office sutie and run business's from there? [sic]</p>
Call-In/Objection from	Caroline Williams, Welwyn Parish Council
Reason for Committee Decision	<p>15/03/2016 21:43 - Welwyn Parish Council at its Planning &amp; Licensing Committee of the 15 March 2016 agreed to submit Major Objection. We are unclear why the existing conditions have not been enforced. We understand that the site was permitted as a temporary location linked to the schooling of the children which have now grown up and not as a permanent site. We are concerned that the number of caravans has continued to increase overtime both with, and without, permission and Welwyn Hatfield Borough Council have previously stated that 10 is the maximum that can be accommodated. The existing conditions include that the land should be restored in accordance with the scheme previously submitted and approved by the planning authority as the residents may have already changed.</p>

**6/2016/0900/FULL**

Address	111 The Ryde, Hatfield, AL9 5DP
Proposal	Change of use to Sui-Generis Large House in Multiple Occupation (HMO) for up to 9 occupants
Applicant	Mr I Kabala
Ward	Hatfield East
Agent	Planmore Design Architecture
Call-In/Objection from	Carrie Lloyd, Hatfield Town Council
Reason for Committee Decision	There is insufficient parking for this use, the development is cramped, insufficient welfare amenities for the number of occupants and this Council supports the Borough's Corporate Property Department in their objection regarding the covenants in place. Approving this application would set a bad precedent for HMO's in this area.
Case Officer	Mrs J Pagdin

**6/2016/1375/FULL**

Address	51 Roe Green Close, Hatfield, AL10 9PF
Proposal	Erection of chalet type bungalow
Applicant	Mr A Miller
Ward	Hatfield South West
Agent	Mr C Bailey
Call-In/Objection from	Carrie Lloyd, Hatfield Town Council
Reason for Committee Decision	Further to our objection the details are; The committee raises objections to this planning application regarding proximity to chalk mines, vehicular access, refuse and emergency vehicle access and the number local residents objections for such an isolated area.
Case Officer	Mrs J Pagdin

**6/2016/1493/VAR**

Address	Thunderbridge Yard, Bulls Lane, Hatfield, AL9 7BB
Proposal	Variation of condition 1 to make the temporary permission permanent; condition 3 to permit eight caravans of which no more than five would be static caravans; condition 4 to vary the approved drawings; and condition 5 to vary the site development scheme; of planning permission S6/2011/0116/FP
Applicant	Mr J Robb
Ward	Welham Green & Hatfield South
Agent	Mrs A Heine

Call-In/Objection from Councillor Paul Zukowskyj, Welwyn Hatfield Borough Council

Reason for Committee Decision I would like to formally 'call in ' this applicaiton as it meets at least two of the key criteria for a call in, namely 1. The application is of an unusually sensitive nature as the current use of the site has led to significant adverse impact on neighbours amenity and that development beyond that permitted had occurred at the site. 2. The wider ramifications are the potential impact of permitting this development may have on setting precedent for permitting neighbouring sites in the forthcoming local plan examination in public. There is also the precedent that would be set of permitting such developments, even for a limited period, in flood zones.

Call-In/Objection from Sue Chudleigh, North Mymms Parish Council

Reason for Committee Decision NMPC OBJECT as this is clearly a new application. The name of the applicants is not the name to whom the extant Permission was originally given.

The Government Planning Policy for traveller sites Policy E, in its introduction, states that making and decision taking should protect the Green Belt from inappropriate development - Item 4d and Item 16 state that inappropriate development is harmful to the Green Belt except in exceptional circumstances. None have been indicated.

Item 4f - further states the local planning authority should aim to reduce the number of unauthorised developments and encampments. This site has consistently exceeded the numbers stated in the original Permission and it is too small a site to be abused in this way.

Item 4k - states the local planning authority have to have due regard to the protection of local amenities and local environment. There have also been sanitary issues arising from the over-use of the site. One or more travelling caravans have also been let to itinerant workers in contravention to the terms of the licence. This has caused considerable problems to the neighbourhood.

Item 13 of the Planning Policy for traveller sites states the local planning authority should ensure that their policies:

a) promote peaceful and integrated co-existence between the site and the local community

f) avoid placing undue pressure on local infrastructure and services

g) do not locate sites in areas at high risk of flooding, including functional floodplains, given the particular vulnerability of caravans

Policy E, Item 24 addresses local provision and it is the case that WHBC do not have a firm policy on Gypsy and Traveller sites in the Borough but there are existing sites in Welham Green – including a long term Showmans site

which causes no trouble – however the Foxes Lane site also is also over used as the numbers of caravans exceeds the permitted numbers. Item 27 states that if a local planning authority cannot demonstrate an up to date 5 year supply of deliverable sites this should be a material consideration and in this case the existing sites result in over supply in Welham Green therefore any expansion is unwarranted.

Item 25 states that the local planning authority should very strictly limit traveller site development in the Green Belt and further ....”sites in rural areas do not dominate the nearest settled community.” Expansion of this site would cause stress on services and neighbours.

Item 16 Inappropriate development is harmful to the Green Belt and should not be approved, except in very special circumstances. Traveller sites (temporary or permanent) in the Green Belt are inappropriate development. Subject to the best interests of the child, personal circumstances and unmet need are unlikely to clearly outweigh harm to the Green Belt and any other harm so as to establish very special circumstances, none of which have been indicated in this case.

Item 24(a) The Local Planning Authority has to take into account the existing level of local provision and Welham Green currently has provision. Indeed, even this is exceeded unlawfully – see report from Dennis Pennyfather, Licensing Technical Officer, dated 24 August 2016.

Item 25 This further states the Local Planning Authority should very strictly limit .... sites in rural areas should not dominate the nearest settled community. Of late the activities at Thunderbridge Yard have caused extreme concern and disturbance to the neighbourhood. Police and other authorities are aware of this, which seems to arise from the subletting of the excessive on-site accommodation to persons other than gypsies or travellers.

Footnote 9 States there is no presumption that a temporary grant of Planning Permission should be granted permanently, therefore North Mymms Parish Council consider, taking into account comments by Licensing Technical Officer that the site is not big enough, there are fire safety issues and this is a known flood plain with previous flooding issues, caravans on this Green Belt site are inappropriate development.

Address	Former Roche Products Site, 40 Broadwater Road, AL7 3AY
Proposal	Change of use of former Roche Products Factory (Class B offices, research and manufacturing) to provide 34 residential units (Class C3) across basement, ground and first to third floors, with associated external alterations including excavation to the rear lightwell of southern elevation, additional and altered fenestration to the northern and southern elevations,

creation of additional car parking and associated landscaping, together with internal alterations including the subdivision and reconfiguration of floorspace, the introduction of 5 new spiral staircases and provision of servicing within the building

Applicant Taylor Wimpey North Thames  
Ward Peartree  
Agent Mrs A Herrick  
Call-In/Objection from Councillor Malcolm Cowan, Welwyn Hatfield Borough Council  
Reason for Committee Decision Can I call in this application for committee decision.  
Reasons:

It appears to be a departure from the SPD in having no community content when the SPD said the whole building was to be for community use.

It is a departure from WHBC guidelines in having no social housing, and the justification given in their report are I understand from your officers, spurious on two grounds.

I also note that most of the promised parking already exists and is in use.

Case Officer Mrs J Pagdin

#### 6/2016/2606/FULL

Address The Bellbrook Bulls Lane Hatfield AL9 7AZ  
Proposal Erection of two box stable building for private equestrian use with hardstandings for stable yard, parking and turning, with access track to stables and host dwelling  
Applicant Mr Hassan  
Ward Welham Green & Hatfield South  
Agent Mr D Cookson  
Call-In/Objection from Sue Chudleigh, North Mymms Parish Council  
Reason for Committee Decision 5/01/2017 13:55 - North Mymms Parish Council OBJECT to this application as the proposed facility could be relocated and existing vehicular access used, negating the need for additional access and hard standing on Green Belt land. The proposed development would affect the openness of the site due to its closeness to the road frontage. No special circumstances have been demonstrated. NMPC also OBJECT to the proposed 'Change of Use' of the land from Agricultural to Grazing. This is unnecessary as the land would still be classed as Agricultural type use.  
Case Officer Mrs J Pagdin

Address	Welwyn Rugby Football Club Hobbs Way Welwyn Garden City AL8 6HX
Proposal	Retention of 4x 15 metre high floodlight columns and lamps measuring a further 0.5 metres
Applicant	Mr M Elliott
Ward	Handside
Agent	Mr M Elliott
Call-In/Objection from	Councillor Helen Bromley, Welwyn Hatfield Borough Council
Reason for Committee Decision	<p>I would like to call this in as the new floodlights are significantly higher and brighter than those which they replaced, by some 7 meters, and they are also in different positions to the original lights.</p> <p>This has caused significant harm to the residents and the general amenity of the area.</p> <p>The original application did not mention the floodlights being in different positions.</p> <p>This is impacting on the conservation and EMS area.</p> <p>There is substantial visual intrusion day and night.</p> <p>At night, the light spill is far worse than previously, despite the rugby club saying it would be less. This is not the case.</p> <p>The club also seems to be contravening the permission given as to when they may be used.</p>
Case Officer	Ms R Collard

6/2017/0550/MAJ

Address	Plot 6000 Land adjacent to Porsche Garage Hatfield Avenue Hatfield Business Park Hatfield AL10 9UA
Proposal	Erection of a 75 bed elderly care home development (C2) with 20 parking bays and associated landscaping.
Applicant	Mr Atkar
Ward	Hatfield Villages
Agent	Mr J Bell
Call-In/Objection from	Carrie Lloyd, Hatfield Town Council
Reason for Committee Decision	<p>6/04/2017 14:12 - Members regret that the applicant chose not to make a presentation to this Council prior to submitting their application. Without greater understanding of the plans, they object to the application due to the overbearing nature of the development on the properties in Manor Rd, the height of the development and the lack of on site parking.</p>
Case Officer	Mr M Peacock

**6/2017/0606/MAJ**

Address	1-9 Town Centre Hatfield AL10 0JZ
Proposal	Erection of 2 buildings to provide 1,194,60 m2 (GEA) retail floor space (A1 & A3), 70 flats (15 x 1 bedroom, 7 x 2 bedroom, three person and 48 x 2 bedroom, four person) with associated car/bicycle parking, plant and refuse storage and including the improvement of public realm, following the demolition of existing buildings.
Applicant	Mr P Brimley
Ward	Hatfield Cent.
Agent	Mr P Wellings-Longmore
Call-In/Objection from	Carrie Lloyd, Hatfield Town Council
Reason for Committee Decision	Object: The Town Council is concerned at the impact of parking from new residential units on the retail parking spaces available. The Council has repeatedly asked that design of new structures in the Town is sympathetic to existing Hatfield designs but again we see another architect imposing their design on our Town making it an uncoordinated mismatch of urban design from different decades with no empathy to the historic nature of the Town. Members are concerned at the impact of the level 7 building on the Grade 1 listed building of Hatfield House. Members consider that a community facility needs to be included within the design.
Case Officer	Mr M Peacock

**6/2017/1152/FULL**

Address	Units 9-11 Peartree Farm Welwyn Garden City AL7 3UW
Proposal	Change of use of land to a sui generis use for vehicle repairs with the operating hours: Monday-Friday 07:00- 19:00 and Saturday 08:00-13:00 Erection of a workshop following part demolition of existing workshop
Applicant	Welham Travel
Ward	Peartree
Agent	DLA Town Planning Ltd
Call-In/Objection from	Councillor Malcolm Cowan, Welwyn Hatfield Borough Council
Reason for Committee Decision	I wish to call in this application for member decision. The fact these industrial units back onto residential homes means there has been some history of a difficult interface and it is important the application is given the fullest examination. The difficult interface relates to previous complaints over a long period of time during the occupation by the previous occupier as a bus operator.
Case Officer	Mr R Adenegan

**6/2017/1194/MAJ**

Address	98-102 Great North Road Hatfield AL9 5DB
Proposal	Erection of 24 retirement living units (category II sheltered housing) with associated communal facilities, car parking and landscaping following the demolition of existing buildings
Applicant	McCarthy & Stone Lifestyles Ltd
Ward	Hatfield East
Agent	Mr G Cooper
Call-In/Objection from	Carrie Lloyd, Hatfield Town Council
Reason for Committee Decision	3/07/2017 11:50 - Members are concerned at the lack of parking on site. Hertfordshire has the highest car ownership by County and this needs to be reflected in the parking provision when also taking into account the location of this development in relation to major supermarkets and the chronic lack of decent public transport in Hatfield at present. Until a bus loop system is in place in Hatfield, this Council has difficulty in condoning such low provision for residents parking.
Case Officer	Mr M Peacock

**6/2017/1242/FULL**

Address	2 St Albans Road East Hatfield AL10 0HE
Proposal	Conversion of single dwelling into 5 self contained units.
Applicant	Ms M Lister
Ward	Hatfield East
Agent	Mr M Bryant
Call-In/Objection from	Carrie Lloyd, Hatfield Town Council
Reason for Committee Decision	30/06/2017 16:37 - The Committee object to this application due to the fact the Hatfield Article 4 Direction desperately needs reviewing and this has been recognised by the LPA. Until such time that this has been carried out and bearing in mind that the overall concentration of HMOs in Hatfield Town Council's area needs to be reduced, no further HMOs should be permitted within the boundaries of Hatfield Town Council's area hence forth. Whilst this application provides self contained units, it is still going to have the same effect as an HMO including the parking issues and negative effects on local residents.
Case Officer	Mr D Elmore

## 6/2017/1575/HOUSE

Address 6 Errington Close Hatfield AL10 9AU  
Proposal Conversion of garage to habitable room with installation of window to rear elevation  
Applicant Helene  
Ward Hatfield Villages  
Agent Mr A Feasey  
Call-In/Objection from Carrie Lloyd, Hatfield Town Council  
Reason for Committee Decision 10/08/2017 09:43 - TBA  
14/08/2017 14:49 - Members object to the loss of a parking space in this part of Hatfield where parking is at a premium.

Further the Hatfield Article 4 Direction desperately needs reviewing and this has been recognised by the LPA. Until such time that this has been carried out and bearing in mind that the overall concentration of HMOs in Hatfield Town Council's area needs to be reduced, no further HMOs should be permitted within the boundaries of Hatfield Town Council's area hence forth, permitting this garage to be converted will further exacerbate the increase in student/HMO accommodation in Hatfield.

Case Officer Mr A Sabir

## 6/2017/1617/FULL

Address 20 Upland Drive Brookmans Park Hatfield AL9 6PT  
Proposal Erection of 2 x 5-bedroom dwellings with private rear garden and front driveways, following demolition of existing dwelling.  
Applicant Mr G Shiells  
Ward Brookmans Park & Little Heath  
Agent Mr P Cramphorn  
Call-In/Objection from Councillor Stephen Boulton, Welwyn Hatfield Borough Council  
Reason for Committee Decision I have not called in the previous one at 30 Upland but this at 16 follows immediately the application for 20 Upland and three applications for two large detached houses on each plot previously having one in a matter of weeks seems to be detrimental to the amenity of existing houses in the road.

I know that each one needs to be dealt with individually but in this case the six proposed houses in these three applications look excessive. Added to this is the real concerns of the rest of the residents in the road.

Therefore if the officers are not minded to refuse the application I would like to call in 20 and 16. Thanks.

Proposal Erection of detached annexe in rear garden following the demolition of existing shed, studio and greenhouse  
Applicant Mr J Ainsworth  
Ward Northaw and Cuffley  
Agent Mr J Ainsworth  
Call-In/Objection Jason Grocock, Northaw & Cuffley Parish Council  
from  
Reason for 10/08/2017 15:42 - The PC objects to this application on the following  
Committee grounds:- this appears to be residential accommodation, not an annexe.  
Decision This is inappropriate development and in no way replaces existing structures equivalently.  
Case Officer Mrs J Pagdin
