

WELWYN HATFIELD BOROUGH COUNCIL  
CABINET – 7 NOVEMBER 2017

Recommendation from the Grants Board on 9 October 2017:-

Award of Annual Grants

Report of the Executive Director (Housing and Communities) setting out eight applications from Voluntary organisations for Annual Community Grants.

It had been agreed in 2016/17 as part of the budget setting that for a three year period, the Citizens Advice Bureau would have a ring fenced budget of £95,000.

Members of the Grants Board had decided how the provisional grants budget of £103,270 plus £1000 underspend rolled forward from previous year's budget would be allocated between the Annual Grants and Small Community Grants for 2018/19.

The report noted that of the 2018/19 budget for the Annual and Small Community Grants, once removing the ring fenced sum of £24,000 for the Small Grant Budget would leave an available budget of £80,270.
