Dear Members

Certification of claims and returns annual report 2016-17 Welwyn Hatfield Borough Council

We are pleased to report on our certification and other assurance work. This report summarises the results of our work on Welwyn Hatfield Borough Council's 2016-17 claims and returns.

Scope of work

Local authorities claim large sums of public money in grants and subsidies from central government and other grant-paying bodies and must complete returns providing financial information to government departments. In some cases these grant-paying bodies and government departments require appropriately qualified auditors to certify the claims and returns submitted to them.

From 1 April 2015, the duty to make arrangements for the certification of relevant claims and returns and to prescribe scales of fees for this work was delegated to the Public Sector Audit Appointments Ltd (PSAA) by the Secretary of State for Communities and Local Government.

For 2016-17, these arrangements required only the certification of the housing benefits subsidy claim. In certifying this we followed a methodology determined by the Department for Work and Pensions and did not undertake an audit of the claim.

In addition to this, we also acted as reporting accountants in relation to 1 return outside the PSAA's regime.

Summary

Section 1 of this report outlines the results of our 2016-17 certification work and highlights the significant issues.

We checked and certified the housing benefits subsidy claim with a total value of £38,745,041. We met the submission deadline. We issued a qualification letter and details of the qualification matters are included in section 1. Our certification work found errors which the Council corrected. The amendments resulted in a marginal increase in the balance owed by the Authority.

Fees for certification and other returns work are summarised in section 3. The housing benefits subsidy claim fees for 2016-17 were published by the Public Sector Audit Appointments Ltd (PSAA) in March 2016 and are now available on the PSAA's website (www.psaa.co.uk).

We welcome the opportunity to discuss the contents of this report with you at the 15 January Audit Committee.

Yours faithfully

Scope of work	Results

Local Government administers the Government's housing benefits scheme for tenants and can claim subsidies from the Department for Work and Pensions (DWP) towards the cost of benefits paid.

The certification guidance requires auditors to complete more extensive '40+' or extended testing if initial testing identifies errors in the calculation of benefit or compilation of the claim. 40+ testing may also be carried out as a result of errors that have been identified in the audit of previous years claims. We found errors and carried out extended testing in several areas.

Extended and other testing identified errors which the Council amended. They had a small net impact on the claim. We have reported underpayments, uncertainties and the extrapolated value of other errors in a qualification letter. The DWP then decides whether to ask the Council to carry out further work to quantify the error or to claw back the benefit subsidy paid. These are the main issues we reported:

Misclassification of overpayments	<p>The level of subsidy for overpayment is determined by its classification. The misclassifications found resulted in both understatements and overstatements of subsidy claimed.</p> <p>The errors have been extrapolated across the relevant cell totals and reported to DWP.</p>

2. 2016-17 certification fees

The PSAA determine a scale fee each year for the audit of claims and returns. For 2016-17, these scale fees were published by the Public Sector Audit Appointments Ltd (PSAA's) in March 2016 and are now available on the PSAA's website (www.psaa.co.uk).

2017/18

From 1 April 2015, the duty to make arrangements for the certification of relevant claims and returns and to prescribe scales of fees for this work was delegated to (PSAA) by the Secretary of State for Communities and Local Government.

The Council's indicative certification fee for 2017/18 is £7,914. This was set by PSAA and is based on final 2015/16 certification fees.

Details of individual indicative fees are available at the following web address:

<https://www.psaa.co.uk/audit-fees/201718-work-programme-and-scales-of-fees/individual-indicative-certification-fees/>

We must seek the agreement of PSAA to any proposed variations to these indicative certification fees. We will inform the Chief Finance Officer before seeking any such variation.

2018/19

From 2018/19, the Council will be responsible for appointing their own reporting accountant to undertake the certification of the housing benefit subsidy claim in accordance with the Housing Benefit Assurance Process (HBAP) requirements that are being established by the DWP. DWP's HBAP guidance is under consultation and is expected to be published around January 2018.
