To the Manager/Owner

Dear Sir/Madam,

Have your say: Parking in Welwyn Garden City town centre

We are currently looking at different parking options for residents and businesses in the Handside Ward area. This area includes the town centre and the Council wants you to have your say.

Please note that the outcomes of this survey, will build upon a parking study already undertaken in this area earlier in the Summer.

Please could the relevant person (Manager/Owner) complete the enclosed survey form, by the 5th October 2015 and return in the prepaid envelope.

If you have contacted us in the past to discuss parking issues, please do include this information.

If you require any further information, or would like to discuss any parking issues with us before you complete this questionnaire. Please use the contact details enclosed and a member of the Parking Services Team will contact you to discuss.

Please be assured that any affected residents and businesses will be consulted with again before any proposed schemes are agreed.

To keep updated with progress, please view our dedicated webpage at www.welhat.gov.uk/handsideparking.

Yours faithfully

Vikki Hatfield - Parking and Cemetery Services Manager
