Dear Resident / Occupier,

### **Update - Parking proposals in Hatfield Town Centre and surrounding roads**

On 26 January 2018 the Council wrote to residents in the French Horn Lane area of Hatfield seeking their views on the parking options in and around the town centre as we continue to progress Hatfield regeneration plans.

We are writing to residents in some roads once more as the number of replies from those particular roads totalled less than 20%. We are offering those residents a further opportunity to make their views known on what, if any, parking improvement options they may wish for their locality. We would like to thank those residents who have already replied to the initial consultation. There is no need for them to reply further.

As a reminder, the Council will be installing double yellow lines (junction protection) on junctions as a safety measure to prevent dangerous or obstructive parking. If you feel the proposed locations need to be extended due to particular visibility issues, then please highlight exactly where on the enclosed plans, and return with the completed survey form.

The Council also intend to implement a verge and footway protection order that will enable the enforcement team to issue parking tickets to vehicles which are parked on the pavement, verge and other green areas.

In addition to the above, investigations are continuing to see if there are any suitable locations such as verges and other green areas, which could be converted to provide more parking space. Residents are also offered the opportunity of additional measures for their roads by choosing from the options of a resident permit parking scheme, yellow line restrictions, or to remain as they are.

Please return your completed survey sheets in the envelope provided to Parking Services by Friday 15 June. If you have any questions regarding the content of this letter, please call us on 01707 357000 and a member of the parking team will return your call.

Full details of the French Horn Lane area parking consultation (including the letter of 26 January 2018) can be found at <http://www.welhat.gov.uk/frenchhornlanearea>
