Comments received
Student parking is a real problem
Remove some of the verge to increase parking provision
Request allocated parking
Why should residents pay to park, when this is caused by the University, Galleria and the Business Park
Support the verge protection order
Pedestrian crossing needed on Cavendish Way
Should be enforced 24/7
There are a large number of HMOs would there be a limited per household?
Restrictions extended to Bishops Rise and Woods Avenue
Issues with drop off and pick up times for the school on Woods Avenue
Some residents in Woods Avenue do not have parking, so park in other roads which are highlighted. Would these residents be able to have permits/vouchers
Make Briars Lane to Hillcrest one way at school times
During the day isn't the issue its weekends and evenings as there just isn't enough parking spaces
There is a Doctor surgery, workers and patients park in the road all day and this prevent residents from been able to park in their road
DYL added in front of garages to prevent tenants from not been able to access them
More yellow lines needed at junctions
People park on the road to the garage areas and this prevents access for tenants, can this be included
How are the restrictions going to be enforced?
Would like to see permits restricted to properties in that road otherwise other residents will continue to park in our road
Limited to two permits per household
Resident permits the councils way of increasing revenue
