Lemsford Road – Consultation results

Comments received
How are the restrictions going to be enforced
Free resident permits and visitor vouchers
Lemsford Road should be either SYL or DYL for safety
The bus stops on Lemsford Road have parked vehicles there so the bus finds it difficult to stop and blocks the road
Residents park on verges and pavement as there is not enough space - Increase parking provision
Leave things as they are
Request further DYLS at junctions to improve visibility
Shouldn't have to park in my own street
Please stop people parking on verges and pavements it is dangerous and the verges are ruined
Should be enforced 24/7
Make Stockbreach Road one way
Bigger issue is after 6pm as this is when all the residents return from work and there are no parking spaces
Visitors to Greenarces park in our parking bays which limits spaces for the residents
Wellfield Road – verges have all been churned up. Can anything be done about this?
Speed bumps to reduce speed as Wellfield Road people race down here
People visiting and workers at the Doctors surgery all park in our road
