Anniversary Party: 20th October  
[Extending licensable activities through until 2am]

## Objection Notice—Permitted Temporary Activities

On the 26th September 2018 Public Health and Protection received from Shanie McGowran, a temporary event notice ("the notice") in respect of proposed temporary licensable activities due to take place at the above premises. Public Health and Protection are satisfied that allowing the premises to be used in accordance with the notice would/ would not undermine the following licensing objectives.

The licensing objective(s) that apply are indicated by an X in the following table

Licensing objective	Obj. (X)	Reasons
The prevention of crime and disorder		
Public safety		
The prevention of public nuisance	X	There have been ongoing complaints of noise over the current year. These complaints have been verified and the noise witnessed by Env Health. As the noise limits were breached at the previous event using a TEN there is no evidence that noise disturbance is now under control. There is a very high likelihood of further noise disturbance taking place and this is worsened by the proposed early morning finish time.
The protection of children from harm		
No Objections		

A copy of this objection notice has been given to

- a) The relevant licensing authority
- b) To the premises user

c) To every other relevant person (the police)

No later than 3 working days after the temporary event notice has been served to the relevant person.
