Hi Matthew,

Thanks for your reply.

In regards to the objection, please find my points below:

- Wellfield Road car park should be returned to a free public car park as it was before the works on the new flats started - I object to this car park being turned in to permit holders only.

- Kennelwood Lane car park should remain free for shoppers in the town. The town centre vitally needs customers to visit in order to keep the little amount of shops left open and also to attract new businesses. By reducing the amount of free parking that is easily accessible to the town this is further going to damage the town centres prospects.

Best wishes,
