[Pine Grove - Notice of Intention to Introduce Parking Restrictions - Reminder](#)

Please use the link below for the parking consultation at Pine Grove - the deadline for this is today **Friday 29th September 2023**. We would encourage you to object/comment as, if the proposed parking restrictions are implemented, there will be implications for parents/carers wanting to use their car to access the school.

[Pine Grove – Welwyn Hatfield Borough Council \(welhat.gov.uk\)](#)

Mr D Croston - Headteacher

[Local Road Use](#)

We have had several complaints from local residents regarding inconsiderate driving from parents picking up and dropping off their children. Please take note of the following points:

- Speed limit – There is a **20mph** speed limit in the roads that surround the school. It has been reported that some parents/carers dropping off and picking up are ignoring these limits and driving at a much faster speed, thus endangering the lives of the children, pedestrians and other road users.
- Parking – Please park considerately and do not obstruct driveways or the road for other users.
- Driving - Please ensure that passing points are left clear at all times and do not stop in the middle of the road to collect your child(ren). Please be mindful of the grass verges and pavements which are not for car use.

Thank you for your support in this important matter.
