Currently within the Hollybush Ward some electors are having to travel further to their polling station to vote than they need to. The current maps and street lists show that a number have to travel to King George V Community Pavilion polling station to vote when it would be more appropriate to vote at a polling station nearer to them either at Creswick School in Polling District BCC or at Calvert House Community Centre in BCA.

In order to redress this imbalance, it is proposed that electors shown at the addresses on the revised lists and maps, will now vote at the designated polling stations within their new polling districts. As far as possible consideration has also been given to ensure that an equal number of voters going to each of the polling stations within the Hollybush Ward, as is reasonable and practicable are accessible to all electors including those who are disabled.

It is proposed that there will be changes to the existing arrangement.
