10	There is always people in the area of all times of day and night drinking, making loud noises	2/29/2024 5:04 PM
11	There are often people swigging from beer cans from the garage and the number of empties either in the refuse bins or more likely stuffed into residents' hedges/gardens is enormous.	2/29/2024 4:44 PM
12	Yes, drinking is a massive problem, people are using the commercial bin outside Crest House as a drinking spot it's very intimidating. The commercial bin needs to be moved and placed outside the shop not by the entrance of Crest House. People are always drunk by Ladbrokes and drinking on the corner by the post office.	2/29/2024 4:31 PM

19	Of a night outside maxs and the betting shop won't go up there after 6/7 at night as I don't feel safe	2/13/2024 7:42 PM
20	The previous High View shopping parade suffered very badly from public drinking which resulted in significant littering of used beer cans and bottles and, in all likelihood, public defecation and urination. It also resulted in large groups of people hanging around at all times of the day resulting in safety concerns. As I live at the church side which is still being constructed, I have not noticed this issue but it may be occurring at the Bishops Rise end. Although, Street drinking does occur at the grass area at the Northdown Road / Acacia Street junction. I think, however, to ensure the feeling of safety amongst women and children, it is important to stop it from the outset. A lot of begging is undertaken by people who are not poor and use it as a job.	2/13/2024 5:41 PM

9	Local group collect litter. Why aren't residence responsible for taking litter with them	2/29/2024 5:32 PM
10	Although the bins are not full, unfortunately, it's common practice for many individuals to fly tip. It's very much related to the drinking on street.	2/29/2024 5:12 PM
11	There is excessive littering and waste in the area. It's really filthy for a new development	2/29/2024 5:04 PM
12	The whole area is one big dump. People buy fast food and drinks from the establishments, and then throw them on the road, over hedges into gardens, stuff them in hedges and fences, and then there are the students who park here after the residents scheme ends and empty the rubbish from their cars directly onto the verges and road.	2/29/2024 4:44 PM

13	Glass on the pavement by the booking. Cigarette butt on the group. People are using the commercial bin outside Crest House as a ashtray. I hate taking my child outside the entrance when this happens. It's not inviting. They don't even live in Crest House. Commercial bin needs to go.	2/29/2024 4:31 PM

22	I see people regularly littering.	2/13/2024 10:52 PM
23	Haven't seen loads	2/13/2024 7:42 PM
24	Littering is an enormous problem in South Hatfield both at High View but around surrounding roads as well as no one seems to pick up or dispose of their litter properly nowadays. People also have a habit of leaving personal bags of household refuse next to the public litter bins which are then torn open by animals and the contents distributed around the area. It would also be good for the Council to pick litter more often, particular on the grass area at the Northdown Road / Acacia Street junction as this seems to collect litter.	2/13/2024 5:41 PM
25	Does it need an explanation	2/13/2024 3:06 PM
26	The development is brand new but the littering makes it look horrible. It's bad for the environment, a danger to animals and can cause many more problems.	2/11/2024 5:01 PM

10	Only dog poo well i hope it is	2/13/2024 7:42 PM
11	I have not seen this personally but I can imagine, with the shops, the pub and dark areas such as down by the Jim McDonald Centre there is the potential for this to occur. As it is a public health hazard, I think it is important to include in the PSPO in any event.	2/13/2024 5:41 PM

7	I don't think anything will help.	2/22/2024 10:50 AM
8	Council patrol where fixed penalty can be issued	2/16/2024 7:36 PM
9	More street cleaning. The new roads such as little downs close are within the proposed PSPO area but not on updated maps so not the radar of the council's routine cleaning and upkeep	2/16/2024 4:43 PM
10	Littering is a town-wide issue. Never have I seen so much litter and fly-tipping in a town in my life. Uni students and landlords are the main contributors	2/16/2024 7:40 AM
11	Need more police / pcsos around the area to discourage them from loitering there.	2/14/2024 8:24 PM
12	More litter bins and more regular bin emptying and street litter picks. Maybe community litter picks to get residents more involved with their community.	2/13/2024 5:41 PM
13	Provide more bins within the area	2/13/2024 3:26 PM
14	See above	2/13/2024 3:06 PM
15	Please make sure cleaning up the existing littering is part of the plan.	2/11/2024 5:01 PM

Q32 If you have any further comments on the proposed PSPO, please provide details below.

#	RESPONSES	DATE
1	Additional security / police around the area in the evenings - especially on weekends	3/12/2024 10:04 AM
2	You really see a police officer/PCSO At Hilltop – they need to be way more present.	3/10/2024 9:03 PM
3	SOUTH HATFIELD IS GOING DOWNHILL. TOO MUCH FLY TIPPING HIGH VIEW BECOMING A NO GO AREA AT NIGHT.	3/10/2024 3:48 PM
4	I live and work within the area and community, I no longer feel very safe doing my job within the community especially throughout the night. No street lights being on throughout the night as impacted on this problem. Drug dealing and ASB have become higher.	3/8/2024 5:16 AM
5	Please please implement the powers given unlike the town centre !!! Both sites need to be policed regularly, properly and consistently or they will just move somewhere else!	3/6/2024 8:47 PM
6	Whatever punishment is meted out needs to be sufficient to deter repeat offenders. A slap on the wrist will do nothing and will be a waste of resource. The University also needs to accept more responsibility, as the attitude and behaviour of many of their students is a direct cause of these issues.	2/29/2024 4:44 PM
7	This will only work if it is properly policed - I was at a recent community meeting where I was shocked by how under-resourced the police were. But Hilltop needs a physical police presence to deter this antisocial behaviour.	2/26/2024 11:39 AM
8	Overall, fly tipping or leaving unwanted items on grass verges etc needs to be stamped out. But how you achieve that effectively i don't know	2/22/2024 11:05 PM
9	No	2/13/2024 5:41 PM
10	Nedd to stop E-scooters and bikes on the path. They are a danger if you or your car get hit by one. Rubbish be dumped is bad as well.	2/13/2024 4:14 PM
11	Expanding the the following streets Cherryway, hollyfield, acicia Street, summerfield would also stop this being moved to the playing fields in that area.	2/13/2024 3:15 PM
12	Thank you for considering this. At the moment I don't think the area is a great spot for children to grow up. If the development is finished and the playground is ready, it would be great if the kids could just play without any worries. Part of that would also be the anti-social driving in High View. The speed is too high, the one-way is not followed up upon, there is double parking, etc. Someone needs to tell people that what they do is anti-social and what the consequences are, otherwise it will never stop.	2/11/2024 5:01 PM
