Agenda Annex

LICENSING AND REGULATED ENTERTAINMENT HEARINGS PROCEDURE

This is the procedure that the Council has adopted under the Licensing Act 2003 (Hearings) Regulations 2005 for all of its licensing hearings to achieve a consistent approach. The hearing is started by the Chairman stating that the Sub-Committee is considering. It is then explained to all the parties that this is a mixed quasi judicial and administrative function. The hearing will take the form of a discussion led by the authority. The strict rules of evidence will not apply although the rules will be observed to a great extent because this is considered to be the best way of presenting the evidence. Documentary or other information produced at the hearing may be taken into account with the consent of all the parties.

All parties will be given an equal maximum period of time to exercise their rights to make representations and provide supporting information to the Sub-Committee as provided for in this procedure. The Chairman will ask those appearing to speak concisely and only on the points that have been raised in the representations submitted. If several representations have been received on similar lines the parties will be invited to appoint a spokesperson. The Sub-Committee will seek to avoid hearing repetitious representations.

- (1) Once all the parties are present in the room and seated the Sub-Committee will enter and the hearing will be convened.
- (2) The Chairman will introduce the Sub-Committee and the Officers serving the Sub-Committee.
- (3) The applicant and/or his representative should confirm their identity to the Sub-Committee and that of any other person they have requested permission to appear, having given the requisite notice of their attendance before the hearing. The Sub-Committee will consider any request by a party for another person to appear at the hearing and such permission will not be unreasonably withheld.
- (4) The objectors and/or their representatives should confirm their identity to the Sub-Committee and that of any other person they have requested permission to appear, having given the requisite notice of their attendance before the hearing. The Sub-Committee will consider any request by a party for another person to appear at the hearing and such permission will not be unreasonably withheld.
- (5) The responsible authorities and/or their representatives should confirm their identity to the Sub-Committee and that of any other person they have requested permission to appear, having given the requisite notice of their attendance before the hearing. The Sub-Committee will consider any request by a party for another person to appear at the hearing and such permission will not be unreasonably withheld.
- (6) The Chairman will invite the Licensing Officer to present his report.
- (7) The applicant may then state their case, calling any witnesses they consider necessary, the requisite notice of their attendance having been given before the hearing. Cross-examination is only permitted if the Chairman considers it is required as part of the hearing.
- (8) With the Chairman's permission members may ask the applicant or their witnesses questions. These questions should be for further information or clarification.

- (9) The objectors then state their case calling any witnesses, the requisite notice of their attendance having been given before the hearing. Cross-examination is only permitted if the Chairman considers it is required as part of the hearing.
- (10) The members may ask the objectors or their witnesses questions. These questions should be for further information or clarification.
- (11) The objectors are then asked if they wish to make a final address to the Sub-Committee.
- (12) The applicant or representative is then given the same opportunity to address the Sub-Committee.
- (13) The Sub-Committee will then retire to consider the representations which have been made and to make its decision. The Sub-Committee will be accompanied by the Legal Adviser and Committee Manager.
- (14) A decision is then taken.
- (15) The Sub-Committee will then return to inform all the parties of the decision. Notice of the determination will be given in writing after the hearing. For certain applications the determination will be made within five working days of the hearing.

If any legal clarification is needed during the Sub-Committee's deliberations, the Legal Adviser will return to inform all the parties of the point considered, together with the advice given and will invite comment on that.

COMMENTS

Should the Sub-Committee decide to grant a licence it may only add conditions or restrictions which are necessary for promoting the licensing objectives and which do not duplicate other statutory requirements. However, the powers to add conditions are confined by the fact that any condition or restriction must be reasonable. The Courts have ruled that a public body in a privileged position of being able to exercise its discretion in dealing with applications for licences and consents of various kinds, when coming to a decision, must exercise that discretion reasonably and fairly and relate it to the subject concerned. A public body is not at liberty to use its powers for an ulterior object, that is one which is not within the ambit or intended purpose of the statutory provision under which the power is exercised however desirable that object may seem in the public interest.

The Sub-Committee will disregard any information which is not relevant to the matter being considered.

The Sub-Committee may exclude all the parties and the public from a hearing or part of a hearing where it considers that the public interest in so doing outweighs the public interest in the hearing.

The Sub-Committee may require any person attending a hearing who in its opinion is behaving in a disruptive manner to leave the hearing.

WELWYN HATFIELD COUNCIL
LICENSING COMMITTEE / SUB COMMITTEE – 13 SEPTEMBER 2019
REPORT OF THE LICENSING OFFICER

Northaw Ward

REPORT TO LICENSING SUB COMMITTEE

1 Summary of Temporary Event Notice

Applicant(s)
Mr Ricardo Almeida
Address of Premises
Judge's, 1 Judges Hill, Northaw, Potters Bar, Herts, EN6 4NL

The above premises user has served a notice for a Temporary Event (TEN) to take place on 16/17th November 2019 (Appendix C);

See Appendix "C" for the Temporary Event Notice.

2 Summary of Environmental Health Officers Objection

The Environmental Health Officer's objections have been made with reference to noise nuisance to adjacent premises. (See Appendix "A").

3 Background

The TEN is to permit the sale of alcohol to be extended until 03:00 hours on the Sunday morning of this weekend and for live/recorded music to be played in the premises, which includes their garden (which adjoins the neighbouring property); This is to allow for sale of alcohol & regulated entertainment in the form of a disco and live music for a birthday party. The committee is therefore asked to determine whether or not to uphold the Environmental Health Officer's objections.

4 Explanation

The committee is obliged to determine this application in light of an objection from the Environmental Health Officer (appendix "A") with a view to promoting the Prevention of Public Nuisance Licensing Objective. The committee may not uphold the Environmental Health Officers objection to the TEN's on the grounds of any other Licensing Objective.

In making its decision, the committee is also obliged to have regard to the National Guidance and the Councils own Licensing Policy in that it can only: -

- a) Prevent the TEN from going ahead by upholding the Environmental Health Officer's objection, or
- b) Add conditions to the TEN that are already on the premises licence conditions. The committee may not add to or amend these conditions.

5 Revised Guidance Issued Under Section 182 of the Licensing Act 2003

- 7.6 - The police or EHA (“relevant persons” for the purposes of TENs) may intervene to prevent such an event taking place by sending an objection to the licensing authority, which the licensing authority must consider on the basis of the statutory licensing objectives and decide whether the event should go ahead. A relevant person may also intervene by agreeing a modification of the proposed arrangements directly with the TENs user. If a relevant person sends an objection, this may result in the licensing authority imposing conditions on a TEN but only where the venue at which the event is to be held has an existing premises licence or club premises certificate. When giving a TEN, the premises user should consider the promotion of the four licensing objectives. The licensing authority may only otherwise intervene if the statutory permitted limits on TENs would be exceeded.
- 7.10 - The police and EHA have a period of three working days from when they are given the notice to object to it on the basis of any of the four licensing objectives.
- 7.20 – Tens may be given in respect of premises which already have a premises licence or club premises certificate to cover licensable activities not permitted by the existing authorisation.
- 7.27 - Where the TEN is in order, the relevant fee paid and the event falls within the prescribed limits, the licensing authority will record the notice in its register and send an acknowledgement to the premises user (which may be given electronically). The licensing authority must do so, no later than the end of the second working day if it was received on a non-working day), unless an objection notice is received beforehand from the police or EHA on the basis of any of the four licensing objectives
- 7.28 - If the licensing authority receives an objection notice from the police or EHA that is not withdrawn, it must (in the case of a standard TEN only) hold a hearing to consider the objection (unless all parties agree that this is unnecessary). The licensing committee may decide to allow the licensable activities to go ahead as stated in the notice. If the notice is in connection with licensable activities at licensed premises, the licensing authority may also impose one or more of the existing licence conditions on the TEN (insofar as such conditions are not inconsistent with the event) if it considers that this is appropriate for the promotion of the licensing objectives. If the authority decides to impose conditions, it must give notice to the premises user which includes a statement of conditions (a “notice (statement of conditions)”) and provide a copy to each relevant party. Alternatively, it can decide that the event would undermine the licensing objectives and should not take place. In this case, the licensing authority must give a counter notice.
- 7.33 - If the police or EHA believe that allowing the premises to be used in accordance with the TEN will undermine the licensing objectives, they must give the premises user and the licensing authority an objection notice. The objection notice must be given within the period of three working days following the day on which they received the TEN.

- 7.34 - Where a standard TEN was given, the licensing authority must consider the objection at a hearing before a counter notice can be issued. At the hearing, the police, EHA and the premises user may make representations to the licensing authority. Following the hearing, the licensing authority may decide to impose conditions to which already apply to an existing premises licence or club premises certificate at the venue, or issue a counter notice to prevent the event going ahead. As noted above, there is no scope for hearings in respect of late TENs and if objections are raised by the police or EHA in relation to a late TEN, the notice will be invalid and the event will not go ahead.
- 7.35 - Such cases might arise because of concerns about the scale, location, timing of the event or concerns about public nuisance even where the statutory limits on numbers are being observed. The premises user who signs the form is legally responsible for ensuring that the numbers present do not exceed the permitted limit at any one time. In cases where there is reason to doubt that the numbers will remain within the permitted limit the premises user should make clear what the nature of the event(s) is and how they will ensure that the permitted persons limit will not be exceeded. For example, where notices are being given for TENs simultaneously on adjacent plots of land it may be appropriate for door staff to be employed with counters. In each case it is important that licensing authorities and relevant persons can consider whether they believe that the premises user intends to exceed the 499 person limit, or will be unable to control or know whether the limit will be exceeded. Where the planned activities are likely to breach the statutory limits or undermine the licensing objectives, it is likely to be appropriate for the police or EHA to raise objections.
- 7.36 However, in most cases, where for example, alcohol is supplied away from licensed premises at a temporary bar under the control of a personal licence holder, (such as at weddings with a cash bar or small social or sporting events) this should not usually give rise to the use of these powers.
- 7.37 - As noted above, the police or EHA (as “relevant persons”) may contact the premises user to discuss their objections and try to come to an agreement which will allow the proposed licensable activities to proceed. The TEN can be modified (for example, by changing the details of the parts of the premises that are to be used for the event, the description of the nature of the intended activities or their duration). The other relevant person has to agree for the modification to be made. There is no scope under the 2003 Act for the modification of a late TEN.
- 7.38 - The 2003 Act provides that only the licensing authority can impose conditions to a TEN from the existing conditions on the premises licence or club premises certificate at the venue. The licensing authority can only do so:
- if the police or the EHA have objected to the TEN;
 - if that objection has not been withdrawn;
 - if there is a licence or certificate in relation to at least a part of the premises in respect of which the TEN is given;
 - and if the licensing authority considers it appropriate for the promotion of the licensing objectives to impose one or more conditions.
- 7.39 - This decision is one for the licensing authority alone, regardless of the premises user’s views or willingness to accept conditions. The conditions must be notified to the premises user on the form prescribed by regulations

6 Welwyn Hatfield Borough Licensing Policy

23.2 - T.E.Ns. are often given for premises not currently covered by a premises licence or club premises certificate. They can also be used to extend the hours of premises or clubs that currently have permissions. TEN's can be used by individuals to authorise relatively small-scale ad hoc events held in or on any premises involving no more than 499 people at any one time, including any staff, organisers or performers and lasting for no more than 168 hours (7 days)

23.4 The most important aspect of the system of permitted temporary activities is that no authorisation as such is required for these events from the Licensing Authority. The process involves notification of an event to the Licensing Authority, the police and the environmental health authority. Only the police and environmental health may intervene to prevent such an event from taking place.

23.7 Where the Police or Environmental Health object they will serve an objection notice on you. You can then discuss the event and agree modifications to address their concerns. If no agreement is reached, we will hold a hearing to consider the objection.

23.8 If the TEN is in connection with licensed premises, the Licensing Sub Committee may impose one or more of the existing licence conditions. Conditions can only be imposed on the T.E.N. where they already exist on the premises licence or the club premises certificate. The Act requires the conditions to be appropriate for the promotion of the licensing objectives **and** not inconsistent with the carrying out of the licensable activities.

7 Recommendation

The committee is asked to determine the application in one of the following ways, having regard to the promotion of the Licensing Objectives.

- a) Uphold the Environmental Health Officer's objections and to refuse the event going ahead.
- b) Permit the event to go ahead as specified in the notices in appendix "C".
- c) Permit the event to go ahead with conditions

Objection Notice—Permitted Temporary Activities

On the 2nd September 2019 Public Health and Protection received from Mr Ricardo Almeida, a temporary event notice (“the notice”) in respect of proposed temporary licensable activities due to take place at the above premises. Public Health and Protection are satisfied that allowing the premises to be used in accordance with the notice would/ would not undermine the following licensing objectives.

The licensing objective(s) that apply are indicated by an X in the following table

Licensing objective	Obj. (X)	Reasons
The prevention of crime and disorder		
Public safety		
The prevention of public nuisance	X	There appear to be 2 applications for a TENS one for a birthday party on the 17 November 2019 and one for 31 December 2019. Both events are to finish at 3am. I object to the applications due to the recent history of noise and nuisance disturbance from the premises. The premises has poor sound insulation, it utilises the outdoor amenity area for events and the finish time is beyond the night time period when deep sleep should be taking place. The premises is also associated with anti-social parking when events take place.
The protection of children from harm		
No Objections		

- A copy of this objection notice has been given to
- a) The relevant licensing authority
 - b) To the premises user
 - c) To every other relevant person (the police)

No later than 3 working days after the temporary event notice has been served to the relevant person.
