

## **PUBLICATION OF DECISION LIST NUMBER 09/22-23**

MUNICIPAL YEAR 2021/22

Date Published: 9 September 2022

This document lists the decisions taken by the Cabinet at its meeting on 6 September 2022. The list covers key and non-key decisions. These decisions will come into force within four working days of the date of this document (i.e. 15 September 2022) unless the Overview and Scrutiny Committee calls a decision in.

Cabinet decisions are subject to pre-implementation review through the following call-in procedure:-

Decisions that involve expenditure over £100,000 or that affect more than one ward can be called in. "Call-in" requires at least a quarter of the Members of the Overview and Scrutiny Committee to request the "call-in", in writing, within four working days of the publication of the decision by the Cabinet, to be effective. A Notification of Call-in Form can be obtained from and should be completed, signed and returned to Alison Marston, Governance Services Manager. Either a special meeting of the Overview and Scrutiny Committee to consider the "called-in" item(s) will be convened within three working days of the call-in request or the item will be placed on the Agenda of the next available meeting of the Committee, depending on which can be achieved earliest. The Call-In procedure does not apply where the decision being taken by the Cabinet is urgent.

Where the Overview and Scrutiny Committee is of the opinion that an executive decision which relates to an area covered by the Committee yet to be made or made but not yet implemented would be, contrary to the policy framework, or contrary to or not wholly in accordance with the Council's budget, then it should seek advice from the Monitoring Officer and/or Executive Director (Finance and Transformation).

(3) **“The Borough of Welwyn Hatfield (Various Roads, Hilltop, Hatfield) (Restriction of Waiting and Permit Parking Zones) Order 2022”**

That the Panel considers the objections received in Section 9 in addition to the issues raised in Section 20 around equalities and diversity and recommends to Cabinet to proceed with permit zones with amended days and times – Monday to Friday 9am to 5pm as set out in Section 6 and the creation of the traffic regulation order for resident permit zones; and to note the delegated powers conferred to Executive Member for Community Safety and Parking to sign an executive member decision to proceed with the creation of the traffic regulation order as advertised, subject to unanimous recommendation of the Panel.

(4) **“The Borough of Welwyn Hatfield (Various Roads, Hilltop, Hatfield) (Prohibition of Stopping and Waiting on Verge or Footway) Order 2022”**

That the Panel considers the objections received in Section 9 in addition to the issues raised in Section 20 around equalities and diversity and recommends to Cabinet to proceed with the creation of the traffic regulation order as advertised; and to note the delegated powers conferred to Executive Member for Community Safety and Parking to sign an executive member decision to proceed with the creation of the traffic regulation order as advertised for the verge and footway prohibition, subject to unanimous recommendation of the Panel.

**(unanimous – recommendation rejected)**

(5) To recommend to Cabinet to rapidly explore setting up a hardship fund for any resident within any permit parking area within the borough who can demonstrate the impact the additional cost of a permit or permits would have upon them financially and/ or socially to allow for a defined process to alleviate this pressure until it is deemed that this fund is no longer required.

Cabinet discussed this recommendation and reached the view that the wording of this CPPP recommendation, as it stands, is likely to result in more resources being diverted to set up and manage the hardship fund, to cover the cost of a permit that is equivalent to around 58p a day. Cabinet considered that such resources would be better focused on continuing to provide other means of support to the residents of Welwyn Hatfield Borough Council
