6/2016/0270/VAR

Address Four Oaks 1-4 Great North Road Welwyn AL6 0PL  
Proposal Variation of conditions 1 (occupants) and 2 (number of

caravans) of Planning Permission N6/2010/0211/S73B to increase the number of caravans from 10 to 20 of which no more than 5 shall be static caravans or mobile homes.

Applicant	Mr J Connors
Ward	Welwyn West
Agent	Mr M Green
Call- In/Objection from	Councillor Julie Cragg, Welwyn Hatfield Borough Council
Reason for Committee Decision	<p>Please can we call this in due to the fact that this raises a lot of issues of concern for the residents.</p> <p>There is uneasiness about the fact that the number of caravans fluctuates wildly and that they residents do not appear to adhere to the planing that they do have.</p> <p>The restrictions regarding children is there as this was not intended to be a permanent site but only to give stability to the children to enable them to attend school.</p> <p>Are they planning to use caravans as an office sutie and run business's from there? [sic]</p>
Call- In/Objection from	Caroline Williams, Welwyn Parish Council
Reason for Committee Decision	<p>15/03/2016 21:43 - Welwyn Parish Council at its Planning &amp; Licensing Committee of the 15 March 2016 agreed to submit Major Objection. We are unclear why the existing conditions have not been enforced. We understand that the site was permitted as a temporary location linked to the schooling of the children which have now grown up and not as a permanent site. We are concerned that the number of caravans has continued to increase overtime both with, and without, permission and Welwyn Hatfield Borough Council have previously stated that 10 is the maximum that can be accommodated. The existing conditions include that the land should be restored in accordance with the scheme previously submitted and approved by the planning authority as the residents may have already changed.</p>
Case Officer	Ms Clare Howe
Summary	This application has been delayed due to the progress of the Local Pan, however officers are now working on bringing this application to the committee in the next few months.

#### 6/2016/1493/VAR

Address	Thunderbridge Yard Bulls Lane Hatfield AL9 7BB
Proposal	Variation of condition 1 to extend the temporary permission;

condition 3 to permit eight caravans of which no more than five would be static caravans; condition 4 to vary the approved drawings; and condition 5 to vary the site development scheme; of planning permission S6/2011/0116/FP

Applicant	Mr J Robb
Ward	Welham Green & Hatfield South
Agent	Mrs A Heine
Call- In/Objection from	Councillor Paul Zukowskyj, Welwyn Hatfield Borough Council
Reason for Committee Decision	<p>I would like to formally 'call in ' this applicaiton as it meets at least two of the key criteria for a call in, namely 1. The application is of an unusually sensitive nature as the current use of the site has led to significant adverse impact on neighbours amenity and that development beyond that permitted had occurred at the site. 2. The wider ramifications are the potential impact of permitting this development may have on setting precedent for permitting neighbouring sites in the forthcoming local plan examination in public. There is also the precedent that would be set of permitting such developments, even for a limited period, in flood zones.</p>
Call- In/Objection from	Sue Chudleigh, North Mymms Parish Council
Reason for Committee Decision	<p>NMPC OBJECT as this is clearly a new application. The name of the applicants is not the name to whom the extant Permission was originally given.</p> <p>The Government Planning Policy for traveller sites Policy E, in its introduction, states that making and decision taking should protect the Green Belt from inappropriate development - Item 4d and Item 16 state that inappropriate development is harmful to the Green Belt except in exceptional circumstances. None have been indicated.</p> <p>Item 4f - further states the local planning authority should aim to reduce the number of unauthorised developments and encampments. This site has consistently exceeded the numbers stated in the original Permission and it is too small a site to be abused in this way.</p> <p>Item 4k - states the local planning authority have to have due regard to the protection of local amenities and local environment.</p> <p>There have also been sanitary issues arising from the over-use of the site.</p> <p>One or more travelling caravans have also been let to itinerant</p>

workers in contravention to the terms of the licence. This has caused considerable problems to the neighbourhood.

Item 13 of the Planning Policy for traveller sites states the local planning authority should ensure that their policies:

- a) promote peaceful and integrated co-existence between the site and the local community
- f) avoid placing undue pressure on local infrastructure and services
- g) do not locate sites in areas at high risk of flooding, including functional floodplains, given the particular vulnerability of caravans

Policy E, Item 24 addresses local provision and it is the case that WHBC do not have a firm policy on Gypsy and Traveller sites in the Borough but there are existing sites in Welham Green – including a long term Showmans site which causes no trouble – however the Foxes Lane site also is also over used as the numbers of caravans exceeds the permitted numbers. Item 27 states that if a local planning authority cannot demonstrate an up to date 5 year supply of deliverable sites this should be a material consideration and in this case the existing sites result in over supply in Welham Green therefore any expansion is unwarranted.

Item 25 states that the local planning authority should very strictly limit traveller site development in the Green Belt and further ...."sites in rural areas do not dominate the nearest settled community." Expansion of this site would cause stress on services and neighbours.

Item 16 Inappropriate development is harmful to the Green Belt and should not be approved, except in very special circumstances. Traveller sites (temporary or permanent) in the Green Belt are inappropriate development. Subject to the best interests of the child, personal circumstances and unmet need are unlikely to clearly outweigh harm to the Green Belt and any other harm so as to establish very special circumstances, none of which have been indicated in this case.

Item 24(a) The Local Planning Authority has to take into account the existing level of local provision and Welham Green currently has provision. Indeed, even this is exceeded unlawfully – see report from Dennis Pennyfather, Licensing Technical Officer, dated 24 August 2016.

Item 25 This further states the Local Planning Authority should

very strictly limit .... sites in rural areas should not dominate the nearest settled community. Of late the activities at Thunderbridge Yard have caused extreme concern and disturbance to the neighbourhood. Police and other authorities are aware of this, which seems to arise from the subletting of the excessive on-site accommodation to persons other than gypsies or travellers.

Footnote 9 States there is no presumption that a temporary grant of Planning Permission should be granted permanently, therefore North Mymms Parish Council consider, taking into account comments by Licensing Technical Officer that the site is not big enough, there are fire safety issues and this is a known flood plain with previous flooding issues, caravans on this Green Belt site are inappropriate development.

Case Officer

Mr Mark Peacock

Summary

This application has been delayed due to the progress of the Local Plan, however officers are now working on bringing this application to the committee in the next few months.

#### 6/2018/2768/OUTLINE

Address	Hatfield Business Park Hatfield AL10 9SL
Proposal	Outline application for a large-scale mixed use development including 1,100 new homes and supporting infrastructure including a primary school, local centre and open space with all matters reserved
Applicant	Arlington Business Parks
Ward	Hatfield Villages
Agent	Mr M Hill
Call-In/Objection from	Councillor Duncan Bell, Welwyn Hatfield Borough Council
Reason for Committee Decision	I would like to conditionally call-in the above application. Conditional in the sense that I would only ask for it to be brought before DMC if Planning Department is minded to recommend approval.

My grounds for calling this in are:

- The size and scale of the proposed development make it a matter of significant public interest.
- The proposal is on Green Belt land, and would risk coalescence with the eastern outskirts of St Albans.
- The site is not one of those accepted for development as part

of our current Local Plan submission.

I will be making a more detailed set of representations once I have studied the plans in more detail, but I would be grateful if you could log my call-in on to the system as soon as possible.

Case Officer Ms Gill Claxton  
Summary This major planning application is anticipated to be presented to committee in 2020.

#### 6/2019/2621/FULL

Address The Peartree Hollybush Lane Welwyn Garden City AL7 4JJ  
Proposal Erection of outbuilding  
Applicant Mr D Patel  
Ward Hollybush  
Agent Mr V Chirila  
Call-In/Objection from Councillor Margaret Birleson, Welwyn Hatfield Borough Council  
Reason for Committee Decision This will have a significant environmental impact on neighbouring properties, and the noise and disturbances will have a detrimental effect on the local residents.  
Case Officer Mr Tom Gabriel  
Summary This application is likely to be presented to Committee in August or September.

#### 6/2019/2714/OUTLINE

Address One YMCA, 90 Peartree Lane, Welwyn Garden City AL7 3UL  
Proposal Outline planning application for a hybrid application for demolition of existing hostel, development of a four storey 100 bed YMCA Hostel (All details submitted for determination) and a 2, 3 and 4 storey building providing up to 43 residential apartments (All details retained for future determination as reserved matters, except means of access) with associated car parking and landscaping  
Applicant Mr G Foxell

Ward	Peartree
Agent	Miss H Scott
Call-In/Objection from	Councillor Jayne Lesley Ranshaw, Welwyn Hatfield Borough Council
Reason for Committee Decision	I would like to call-in this application for the following reasons (unless the Officer is minded to refuse it); The proposed height and density of the buildings may conflict with design policies. The introduction of the three-storey apartment building to the front of the site fails to respect the character and context of the area and that of neighbouring buildings (height, mass, scale) including the adjacent Peartree Close. The proposal of having three story apartments along the front of the site will appear obtrusive and incongruous within the street scene. There is insufficient parking (confirmed by the Consultee Response from Parking Services - WHBC). The black brick / yellow fenestration appearance of the hostel building does not compliment the apartment building and will adversely affect local amenity. There is no affordable housing.
Case Officer	Ms Clare Howe
Summary	This application is likely to be presented to committee in 2020.

### 6/2020/0255/HOUSE

Address	14 Pleasant Rise Hatfield AL9 5DS
Proposal	Erection of single storey front, first floor side, two storey rear extension and alterations to entrance porch
Applicant	Mr J Temple
Ward	Hatfield East
Agent	Mr R Griffiths
Call-In/Objection from	Carrie Lloyd, Hatfield Town Council
Reason for Committee Decision	The proposed extensions, by virtue of their siting, bulk and design, would not respect the form and scale of the existing dwelling and would not be subordinate to the existing. In addition, the rear extension, results in an overly dominant addition that fails to respect the form and scale of the original dwelling. Members do not consider that these plans have taken previous reasons for refusal into account adequately.
Case Officer	Mr Tom Gabriel

Summary This application is likely to be presented to Committee in August or September.

### 6/2020/1206/HOUSE

Address	50 Maryland Hatfield AL10 8DX
Proposal	Erection of single storey and part two storey rear extension following demolition of the conservatory
Applicant	Mr B Grewal
Ward	Hatfield South West
Agent	Mr R Lloyd
Call-In/Objection from	Carrie Lloyd, Hatfield Town Council
Reason for Committee Decision	This is an HMO. There is insufficient parking. It will create overdevelopment of the terrace of houses and adversely affect the neighbouring property including their access to daylight.
Case Officer	Mr Tom Gabriel
Summary	This application is likely to be presented to Committee in August or September.
