### **Implications**

#### **4 Legal Implication(s)**

4.1 A Service Level Agreement is entered into between the council and each successful grant applicant.

#### **5 Financial Implication(s)**

5.1 The Annual Grants budget forecast to be included in the 23/24 budget is £73,000. Grants Board have not exceeded this potential allocation in considering the applications put forward. Confirmation of the funding will be agreed through the 23/24 Council budget setting process.

#### **6 Risk Management Implications**

6.1 There is a risk related to providing grants to voluntary organisations in that there is the possibility that the organisation could go into administration and as such the funding would be lost. There is also the possibility that organisations do not spend the grant provided on the agreed projects or costs as per their applications.

6.2 The risks are mitigated as much as possible through the application process, where information has been provided about the organisation, its governance and financial structures and the reason it has applied for funding. All successful grant applicants sign up a service level agreement with the council which sets out the terms of the grant and also what information is to be provided to monitor the outcomes. The information provided includes evidence on where the funding was spent.

Risk Score Likelihood Low; Impact Medium.

Overall risk score Low.

#### **7 Security and Terrorism Implication(s)**

7.1 In complying with the Prevent duty Local Authorities need to ensure that publicly owned resources do not provide a platform for extremists and are not used to disseminate extremist views.

#### **8 Procurement Implication(s)**

8.1 There are no procurement implications. The funds will be issued as grant payments.

#### **9 Climate Change Implication(s)**
