

WELWYN HATFIELD BOROUGH COUNCIL  
COUNCIL MEETING – 1 FEBRUARY 2023

COUNCIL PROCEDURE RULE NO. 14 QUESTIONS – QUESTIONS BY THE PUBLIC

Notice of the following questions has been received in accordance with Council Procedure Rule No 14:-

1. Question to the Leader, from Alan Reimer

“The council gives a lot of information about the use of the recycling bins & in particular, the use of the inner bin. The advice appears on the WHBC web site & printed literature. However, I have evidence that both inner & outer bins are mixed together in the refuse collection vehicles. There is no separation of the contents of the inner bin from the rest of the recycling bin. Because of this, is there any reason for supplying the inner bins & should WHBC’s information on recycling be amended.”
