Implications

9 Legal Implication(s)

- 9.1 The Council is required by the Local Government Finance Act 1992 to make estimates of gross revenue expenditure and anticipated income, leading to a calculation of a council tax requirement and the setting of an overall budget and Council Tax. The amount of the budget must be sufficient to meet the Council's legal and financial obligations, ensure the proper discharge of its statutory duties, and lead to a balanced budget. The Council should be satisfied that the proposals put forward are a reasonably prudent use of resources in both the short and long term, and that the interests of both Council Tax payers and ratepayers on the one hand and the users of Council services on the other are both taken into account.
- 9.2 Section 25 of the 2003 Local Government Act requires the Chief Finance Officer, Executive Director (Finance and Transformation), to make a formal report to the Council on the robustness of the budget and adequacy of reserves. This report was presented in the Budget report presented to Council at its meeting on 1 February 2023.

10 Financial Implication(s)

- 10.1 Financial implications are set out in the body of the report where relevant.

11 Risk Management Implication(s)

- 11.1 There are risks to the council's short and medium term budget strategy including continued government funding restrictions, the impact of the economic downturn, inflation and other changes in the national economy, spending exceeding budgets, pressures on existing budgets, legislative change demands for new spend and the delivery of challenging efficiency targets. The budget process includes the recognition of these risks in determining the 2023/24 budget and relevant risk provisions are set out in the body of the report.

12 Security & Terrorism Implication(s)

- 12.1 There are none arising directly from this report.

13 Procurement Implication(s)

- 13.1 There are none arising directly from this report.
